Mission

Continuously create an academically rigorous, nurturing and safe learning environment where students explore health, medical and youth development careers as they increase their knowledge of STEM.

Vision

Develop and prepare globally responsible individuals for the health and life sciences to be college, career, and life ready.

The Middle College at UNCG prepares every student to be “College, Career and Life Ready” by utilizing a student-centered curriculum and personalized attention from faculty and staff. Our curriculum also includes our Pathways program: a unique college and career program that helps students prepare for college and provides work-based learning (job shadowing opportunities) for students.

What We Offer

- Honors, AP, and College Classes with an opportunity to earn up to two years of college credit
- A series of UNCG classes called "Pathways" that are designed to teach strategies for exploration and success in college, career, and life.
- Guest speakers, travel to various businesses in the community, and opportunities to gain further insight
- Small class sizes and a collegiate experience
- Weekly job shadowing and internship experiences for sophomores, juniors, and seniors
- Challenging courses and work-based learning to provide strong entry-level job options
- Emphasis on leadership skills, character development, community service, and social-emotional learning
- Service-learning opportunities

Points of Pride

- Admissions to prestigious colleges and universities
- North Carolina Performance Grade of "A" for school years 2023-2024 and 2024-2025
- Ten consecutive years of meeting or exceeding academic growth
- U.S. News and World Report "Best High Schools" in America recognition
- Recognized by Niche as one of the best public high schools in the nation
- 100% Graduation Rate 10 of the last 11 years school years
- Giving back to community and local organizations
