Mission

Engage, challenge, and empower students in an accepting, unique environment on a college campus.

Vision

Strive to provide our graduates with an academic foundation that will enable them to gain admission to the colleges or universities of their choice as well as to succeed in those institutions

We are a choice school that provides high school students the opportunity to experience college level courses on a collegiate campus while providing intensive and extensive academic support in the classroom. We boast an extremely high graduation rate as well as a high college acceptance rate.

What We Offer

- Our students take college courses in one of two pathways: Government and Law or Business and Finance. Completing the pathway will earn them an additional certification upon graduation.
