SCHOOL PROFILE 2025/2026

MISSION

Frankfurt International School's (FIS) mission is to be the leading, culturally diverse and family-oriented international school with English as the principal language of instruction. We inspire individuals to develop their intellect, creativity and character to become independent, adaptable, socially responsible and internationally minded citizens, by ensuring a dynamic, inquiry-driven education of the highest standard.

SCHOOL COMMUNITY

FIS was established in 1961 as a private, non-profit association to serve the international community in the greater Frankfurt area. FIS is accredited by the New England Association of Schools and Colleges (NEASC) and is a founding International Baccalaureate (IB) World School. As one of the oldest and largest international schools in Europe, FIS is known for its high academic standards and excellent campus facilities.

OUR STUDENTS

The Class of 2026 has 138 students. The total current enrollment is 1786 students representing over 60 nationalities, with the largest numbers identifying as American (30%), Korean (22%), German (20%), British (5%), and Chinese (5%). Over 30 languages are spoken within the school community. In Grades 9–12, the enrollment is 569 students with approximately 140 students per grade level. FIS graduates matriculate at universities across the globe with the majority of students attending institutions in the United States, the United Kingdom, Germany and The Netherlands.

CO-CURRICULAR AND ATHLETIC PROGRAMS

Students in Grades 9–12 have access to a rich variety of co-curricular opportunities, including visual and performing arts, organized clubs, and school publications. Students compete internationally in 12 different varsity sports and international travel is also part of activities such as Model United Nations, Math Olympiad, service learning, music and theater festivals.

FIS GRADE 9–12 CURRICULUM

All FIS students earn a US high school diploma upon graduation, with roughly 90% of its graduates also pursuing the IB Diploma Programme. Students who do not pursue the IB Diploma Programme may opt to take individual IB courses. There are no honors classes; the only tracked subjects in Grades 9 and 10 are Math and Foreign Languages. In addition, students may pursue online learning opportunities. For example, FIS is a member of Global Online Academy, a consortium of independent schools whose mission is to offer intellectually rigorous programs in an online environment.

GRADUATION REQUIREMENTS

Students in Grades 9 and 10 enroll in eight credits each year (one credit equals a full year course); students in Grades 11 and 12 must enroll in at least six. A minimum of 24 credits are required to graduate. All students in Grades 11 and 12 complete Creativity, Activity, Service (CAS), even if they are not enrolled in the IB Diploma Programme.

CLASS RANKING AND GPA

Given the inherent rigor of the IB Diploma Programme taken by the vast majority of students, FIS does not provide a ranking of its students. The school uses a 7-point scale with GPAs weighted to reflect the difficulty of their IB courses: an extra 1.0 is awarded for IB Higher Level courses and 0.5 is awarded for IB Standard Level courses.

Grading Scale:
7 = A+ 6 = A 5 = B 4 = C 3 = D 2/1 = F
