## BRICKIE TIP #10: Missed Opportunities

Opportunity is missed by most people because it is dressed in overalls and looks like work. – Thomas Edison

Write about the challenges or missed opportunities that you have had this week.

---

---

What have you learned from these challenges or missed opportunities?

---

Next time you have a challenge, what can you do differently?

---

When you learn from past experiences, you are using Growth Mindset. Begin seeing opportunities to use growth mindset each day.

I will use Growth Mindset today by doing these things:

---

---

---

*"Sometimes life throws curveballs, but that just means there's an opportunity to learn and grow."*
