GETTING COMFORTABLE WITH THE CRIER

The College Counseling team is excited to welcome our Upper School families and students to the 2025–2026 academic year!

As we continue to send our monthly newsletter, please pay special attention to the column on the **left**, which always has the upcoming standardized test dates and any other “Save the Dates” for forthcoming College Counseling programs and events. Additionally, any bolded, underlined text in [this color](#) is a hyperlink; we may use this for a specific article or a direct link for a college website for you to explore.

ANNUAL FALL PARENT MEETINGS WITH COLLEGE COUNSELING

Over the next several weeks, the College Counseling Office will host in-person gatherings for parents and guardians. We welcome the opportunity to interact with you, share information, and quell any anxieties. During these evening programs, we will go through our College Counseling process and the services we offer students and families over the course of their four years in the Upper School. These sessions will also include advice and tips around various aspects of the college search process. Please bring your questions; we are always happy to help and look forward to partnering with your family.

OPENING OUR DOORS TO COLLEGE REPRESENTATIVES

Every year, the College Counseling Office offers in-person visits from college representatives. These meetings allow our **seniors** to learn more about specific programs and admission practices, while granting colleges and universities a better understanding of the Bullis experience.

Seniors are welcome to attend meetings (with permission from their teachers at least 24 hours in advance). In addition to the full list of college visits located in Scoir, Ms. McKay, our Administrative Assistant, will always post printed lists outside of the College Counseling Office, in chronological order by date and time of the visit. If a college/university from a senior's list is not visiting, we encourage students to take advantage of online information sessions and direct communications with the college or university.

These visits are for **seniors only**; we ask that no parents or guardians join these conversations. A College Counselor will always be present to moderate.

So far, the following colleges and universities have registered for a visit to Bullis in September and the first days of October. We will include the rest of the list for the months of October and November in upcoming editions of the *Crier*.

Unless otherwise specified, all meetings with college admission representatives will be held in the College Counseling Office. Please note that this list is updated regularly and is subject to change.

As our office begins our busiest season of the year – from now through November 1 – supporting seniors through the college application process, our focus will need to be on our Class of 2026. In November and December, our office will host Drop-In Days, during which we will welcome the opportunity to connect with 9th–11th grade students and families. Please stay tuned for further announcements regarding these upcoming opportunities. Thank you!
