## ATTENDANCE

School attendance is critical for the quality of your child's education. A child who misses a day of school misses a day of learning opportunities. Should it be necessary for your child to miss a day of school, you must submit your child's absence online or send a written and signed note stating the reason for the child's absence within 3 days of the students return from the absence with the information listed below.

- Student's first and last legal name
- Grade Level
- Student ID #
- Specific dates of the absence
- Specific reason for the absence
- Parent signature

If a doctor's note is submitted, please make sure that it covers ALL days of the absence. If not, please send an accompanying parent note with the above-listed information. *Emails will no longer be accepted.* Please use [this link](#) to complete online form. [Absence link](#)

Students are required to attend class 90% of the time it is offered to be able to receive credit and be promoted to the next grade level. All absences, regardless of excused or unexcused, including leaving early and coming in late, count towards the 90% rule.

Please help make your child's education a top priority by building a habit of daily attendance.

**Calm & Strong Kids Tip:**

In a world filled with big emotions, one of the most powerful tools a child can have is a robust emotional vocabulary. The phrase "Name it to Tame It," coined by Dr. Daniel Siegel, refers to the practice of labeling our emotions to help calm and gain control over them. When children learn to identify their feelings, they are better equipped to manage them and grow into calm, strong individuals.

**Responsibility Overview**

This month we are talking about Responsibility. One way to define Responsibility is "taking action and understanding the impact of our choices." Taking action can mean doing the right thing or completing the tasks you have been assigned. Understanding the impact of our choices means that our actions matter. Positive and responsible actions can help people and irresponsible actions can hurt others.

Responsibility is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**.

Across grade levels students will be developing skills like focusing, organizing, and goal-setting.

**Conversation Starters**

- Can you share or show what it means to be Responsible?
- How can we help each other practice being more Responsible?

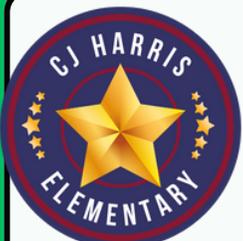

**PurposeFull Pursuits**

Have some fun connecting as a family this month while practicing Responsibility. Here are 2 "PurposeFull Pursuits" you can complete together!

**#1** As a family, think of ways in which you might make someone's life a little easier by helping a neighbor or family friend with 1 of their Responsibilities. Could you bring the garbage to the chute or out to the curb? Could you carry things in from the grocery store? Could you invite someone over for a meal or a show?

**#2** Review Responsibility as a family! Responsibility is taking action and understanding the impact of our choices. Choose 1 household chore (or more!) that requires multiple steps. Then have each member of the family select 1 step to complete to help get the job done! Maybe it's washing the dishes, doing laundry, cleaning the living room, or unloading the groceries - whatever it is, see who can be the quickest or most effective at their task!

# VISITORS

Now that our students have settled into the new school-year routines, we are happy to welcome lunchtime visitors again! Please keep in mind that seating is limited and student safety is our top priority.

As a reminder, school-aged siblings are not able to attend school-day activities, including lunch visits, classroom parties, and grade-level or classroom events. Lunch visitors who are not attending with a parent must also be listed as an emergency contact. These practices help us keep students safe, comply with fire codes, and minimize lost instructional time.

We appreciate your understanding and support in helping us maintain a safe, focused learning environment. If you have questions, please contact the school office

\*If your child's birthday is anytime between December and March, due date for your child's birthday message is Nov. 17th.
