

The Owatonna Speech Team is a 6-12 grade activity open to all OMS students. The Speech team will build skills that you will use for the rest of your life! Join us for an inclusive, welcoming, friendly, non-judgmental activity that's full of new friends and fun! Students choose from a variety of categories based on their interests. Speech typically begins with interest/organizational meetings in October. Weekly practices typically start in January. There are typically 7-8 meets. See what others have said about their experience on the Owatonna Speech Team!

- "Speech has taught me to work with others and that you can learn to do new things. I got to work with my friends and meet new people and meet new people at meets, which made it a really cool experience."
- This was the first year I joined, and I think it was one of the best choices I have ever made. I got more time to be with my friends at this school and open my borders to new people from other schools.
