Joining your Teacher Conference using Google Meet from ParentVUE App

✓ You Must – Download the Google Meet app before joining, Conferences using your phone. Test your Google Meet ahead of time

✓ Test your Google Meet ahead of time by clicking on the Meeting link from RCS Synergy in your email before conference day to make sure the camera and microphone permissions are working.

✓ Note the email link will only be live in the ParentVUE app the day of conferences.

✓ Use a quiet space & headphones if possible – helps reduce background noise so the conference is clear.

✓ Have your child's info handy – like student ID or class schedule, just in case.

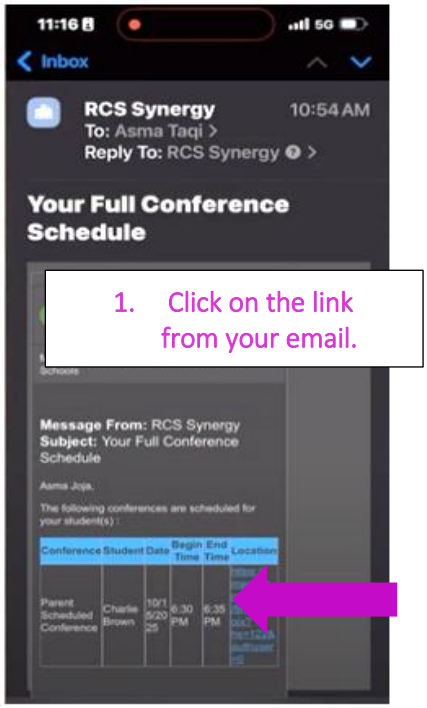
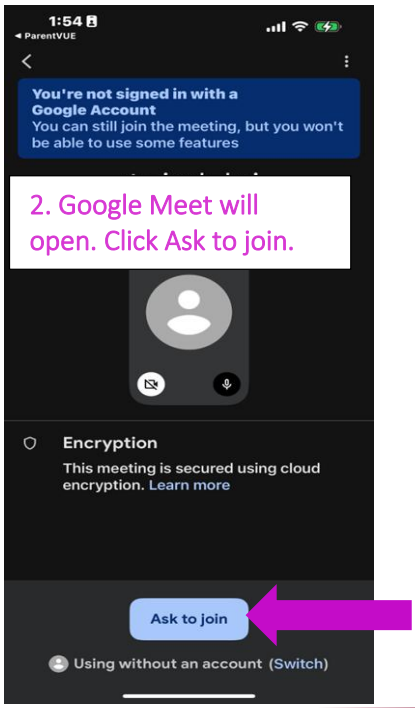
CHOICE #1: If you are joining conferences from an email link via phone, follow these 2 steps below:

1. Joining from an email link
   Parents who are attending virtual conferences will be using Google Meet.
   You will have the option to join the meeting right through email. (When you signed up for conferences you clicked on Send Schedule, then a link was sent to your email).

You must Download the Google Meet app before Conferences when you are using your phone.





Joining your Teacher Conference using Google Meet from ParentVUE App
