

Pascack Valley Regional High School District (PVRHSD)

The Pascack Valley Regional High School District seeks an innovative, student-centered leader to serve as Superintendent beginning July 1, 2026. The district serves approximately 2,000 students in two high schools (Pascack Valley and Pascack Hills) and also operates Park Academy, a unique program for students with distinctive learning needs, across the communities of River Vale, Hillsdale, Montvale, and Woodcliff Lake. Our district is proud of its tradition of academic excellence, its innovative and rigorous educational opportunities, and its strong community partnerships. The ideal candidate will be a visionary who is focused on students and will continue our tradition of academic excellence, foster a culture of equity and inclusion, and engage meaningfully with students, staff, parents, and the broader community.

Key Responsibilities:

- Providing strategic leadership that ensures high-quality teaching and leadership across the district.
- Supporting and enhancing the district's innovative programs, including technology integration and 21st-century learning initiatives.
- Promoting fiscal responsibility while maximizing resources to support student achievement.
- Collaborating effectively with the Board of Education, administrators, staff, families, and community stakeholders.
- Recruiting, developing, and retaining exceptional educators and staff.
- Being a champion for social-emotional learning to meet the needs of all learners.

Qualifications:

- NJ School Administrator Certificate or Certificate of Eligibility (CE)
- Proven record as district or building leadership
- Demonstrate expertise in curriculum development, finance, personnel management, and community relations
- Have strong interpersonal and communication skills
- Commit to student growth, innovation, and continuous improvement

Position available: on or about July 1, 2026

Salary range is \$220K--\$250K, commensurate with experience, credentials, and qualifications, and is subject to negotiation with the PVRHSD Board of Education and approval by the Bergen County ECS.
