Explanation of Marking System

M = Mastery: Your child has independently demonstrated mastery of this objective based upon this quarter's assessments.

P = Progressing Toward Mastery: Your child has made adequate progress toward independently demonstrated mastery of this objective based upon this quarter's assessments. Your child needs additional work on this objective to reach mastery.

N = Not Making Adequate Progress: This is an area of concern. Your child has not made adequate progress toward independently demonstrated mastery of this objective based upon this quarter's assessments.

*** = Introduced but Not Assessed:** This objective has been introduced this quarter, but not yet assessed for mastery.

Not Marked: This objective was neither taught nor assessed during this quarter.

I = Incomplete: This mark, used for virtual learners only, indicates that there was little to no evidence submitted to determine if the objective was mastered.
