If an employee holds more than one title they shall receive the number of extended days for the position which has the most number of days and/or the stipend of the position that holds the largest stipend. **30 days when qualified to write reports

SBDM councils have the authority to use SBDM money to pay individual classified employees for extra services, i.e., more hours than their job descriptions/contracts provide. The councils would need to reflect an understanding in their minutes that any decision by a council to do this would also require the council to be responsible for any overtime costs they incur as well as extra fringe costs.
