In the table below, enter the CDE issued CDS code and the official name as listed in the California School Directory <https://www.cde.ca.gov/SchoolDirectory/> for each COE, District, Joint Powers Authority (JPA), and SELPA participating in the Local Plan and receiving a special education funding allocation for services and programs provided to students with disabilities.

SELPA: Fontana Unified SELPA

Fiscal Year: 2025-26

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
