School Climate Survey: SL High School, Fall 2025

You are being asked to complete this survey to help all members of the school (students, parents, and school personnel) understand how you feel about your school.

There are no right or wrong answers--this is not a test! We just want to know what you think. Your responses will provide us with important information to help your school become even better.

All of your responses are completely anonymous, which means that your teachers or family will not see your answers. No one will ever see how you filled out your own survey.

This survey should take approximately 5 minutes.

Thank you for taking this survey!
