STATE SUPERINTENDENT SELECTS TWO BIBB STUDENTS FOR STUDENT ADVISORY COUNCIL

October 13, 2025

(MACON, GA) – State Superintendent Richard Woods recently selected students for his 2025-2026 Student Advisory Council, and a pair of Bibb students were among the honorees. Southwest High School senior Loymiela Thomas was chosen for the group, as was Howard High School junior Jaiden Geolingo.

“This council is about hearing directly from students – the ones experiencing our schools every day,” Woods said in a release from the Georgia Department of Education. “These outstanding young leaders bring experiences and perspectives from every corner of our state, and their viewpoints and ideas will guide our work, ensuring we stay focused on what matters most: supporting every student’s success.”

Thomas and Geolingo were two of just 79 students selected out of more than 1,200 applicants. The Student Advisory Council will meet regularly to serve as liaisons between local schools and the superintendent, providing students with a voice in the policy-making process.
