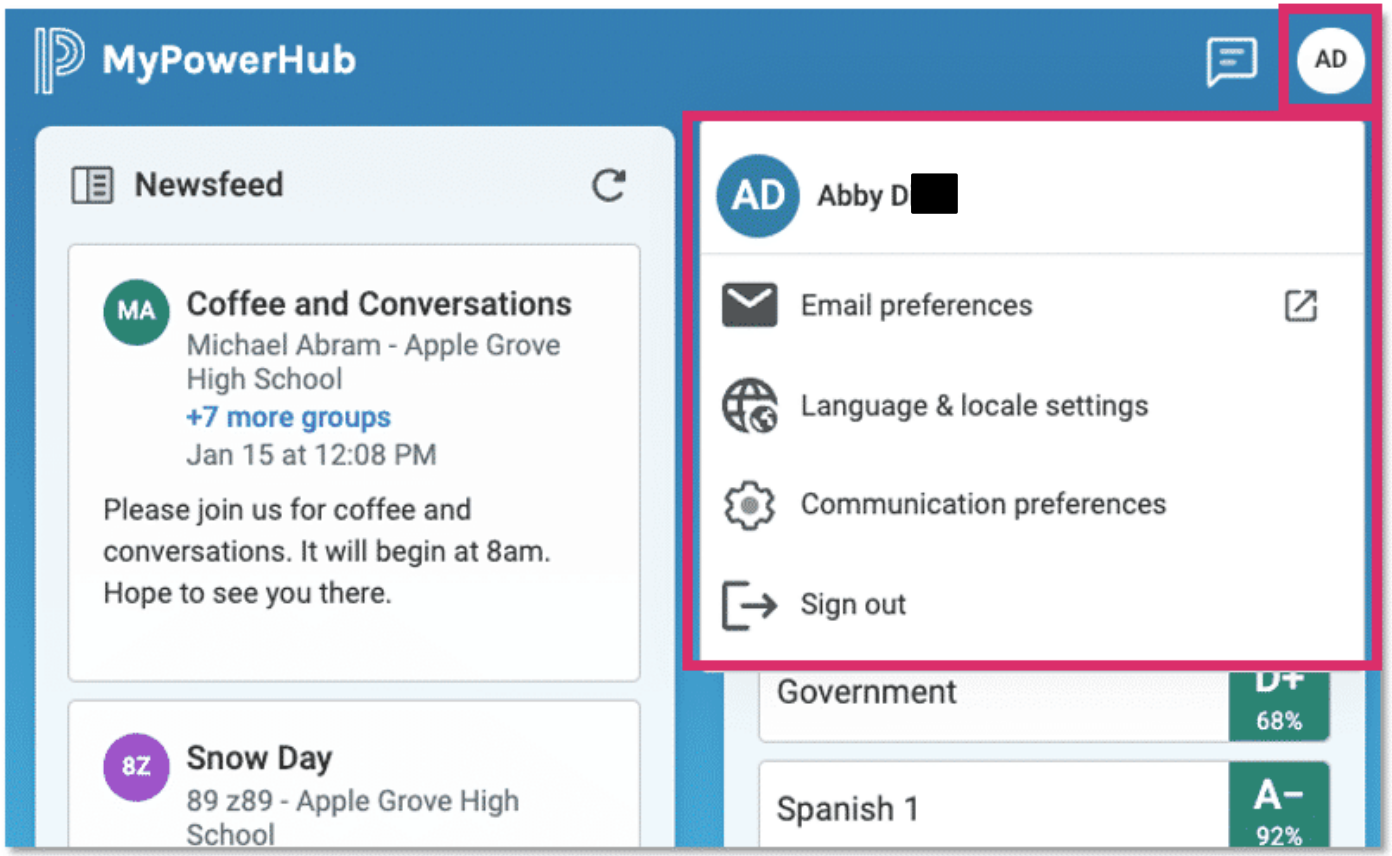
PowerSchool | Customer Education

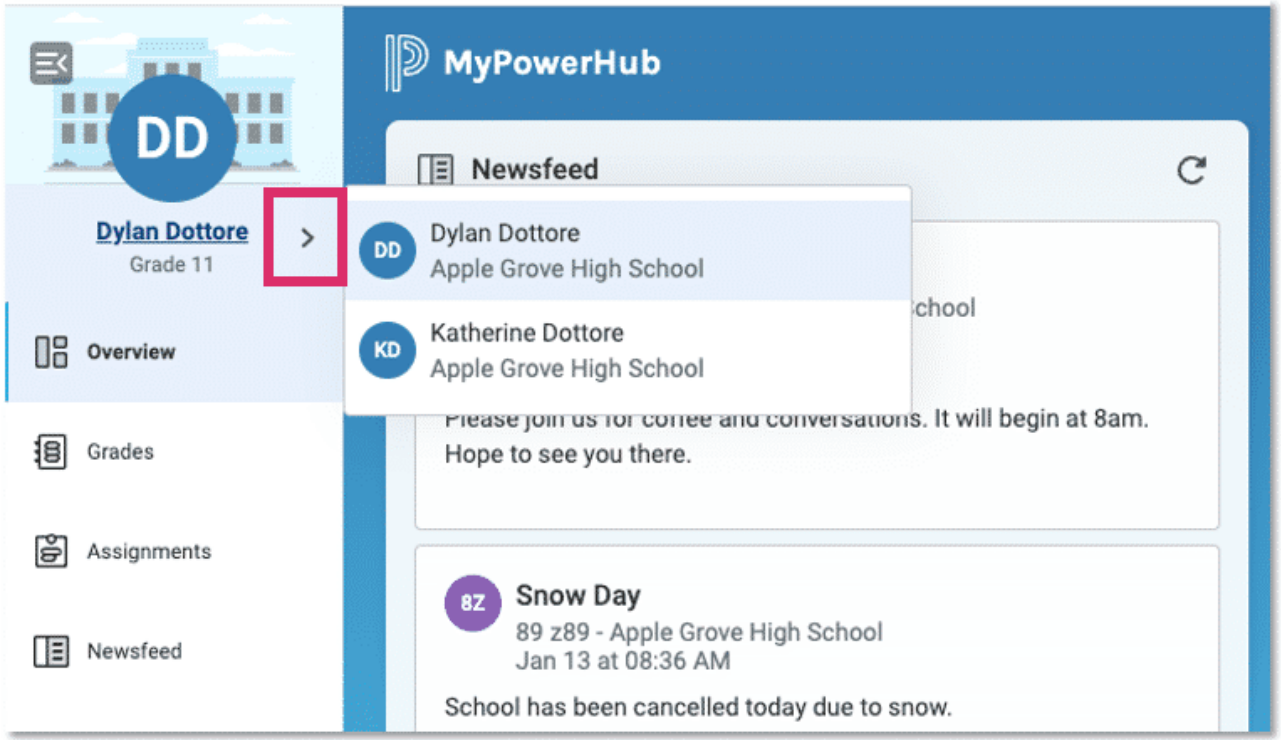
User Options

Select the **User** menu to:

- Set up email preferences for receiving reports from PowerSchool SIS
- Select a language for automatic translation
- Choose how you and your children receive MyPowerHub communications
- Sign out of MyPowerHub



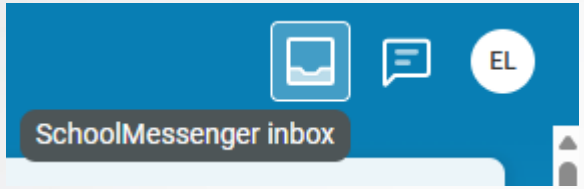
Switching Students



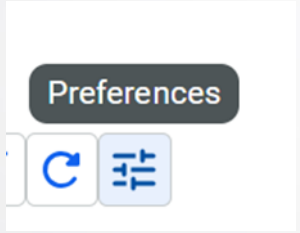
- Parents can access all their students' accounts in one place through guardian access
- Guardians with more than one student attached to their account have an arrow next to their child's name
- To access a list of the children, select the arrow, then select a name to switch to their account

Accessing SchoolMessenger as a Parent

- Click on SchoolMessenger inbox



- Click on the Preferences icon



- You will see your contact information. Click on any area that says it needs permission to call/text/email and set your preferences
