At Watauga Middle School, our 6th-grade students demonstrated commendable performance in the 2025 STAAR Math assessment, with 69% of students reaching the Approaches level, 30% achieving the Meets standard, and 8% excelling at the Masters level. This indicates a solid foundation in mathematical concepts, though there is room for growth in advancing more students to the Meets and Masters levels. Our 7th-grade math results show a similar pattern, with 63% Approaches, 33% Meets, and 7% Masters, suggesting a need for targeted interventions to enhance mastery. The 8th-grade math scores reflect significant progress, with 78% Approaches, 54% Meets, and 18% Masters, highlighting the effectiveness of our instructional strategies at this level. Notably, our Algebra EOC results are outstanding, with all students achieving the Approaches level, 92% meeting the standard, and 75% mastering the content, showcasing the strength of our algebra curriculum and instruction.	7
In reading, our 6th-grade students achieved 73% Approaches, 48% Meets, and 23% Masters, indicating a strong start in literacy skills. The 7th-grade reading scores are impressive, with 76% Approaches, 58% Meets, and 28% Masters, reflecting effective reading instruction and student engagement. Our 8th-grade students maintained this positive trend, with 77% Approaches, 54% Meets, and 27% Masters, demonstrating consistent literacy development across grade levels.	7
The 8th-grade social studies results show that 61% of students reached the Approaches level, 27% met the standard, and 10% achieved mastery. These results suggest a need for enhanced focus on critical thinking and analytical skills to improve student performance in social studies.	7
In science, our 8th-grade students achieved 75% Approaches, 49% Meets, and 12% Masters, indicating a solid understanding of scientific concepts. However, there is an opportunity to further develop inquiry-based learning and hands-on experiences to increase the number of students reaching the Masters level. Overall, these results provide valuable insights into our students' academic strengths and areas for growth, guiding our efforts to support and challenge all learners.	7

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

[CNA 2024](#)

Demographics

Demographics Summary

- Watauga is a suburb of Fort Worth located in Tarrant County.
- Watauga Middle School (WMS) serves approximately 582 students.
- Student ethnicity is comprised of:
 - 51.37% Hispanic
 - 30.76% White
 - 7.90% African American
 - 7.39% Asian
 - 1.55% American Indian - Native Alaskan
 - .86% Native Hawaiian - Pacific Islander
- Approximately 72.51% of students are Economically Disadvantaged (ED).
- Approximately 33.68% of students are English Language Learners (ELLs)
- Approximately 19.07% of students are served in Special Education (SpEd).
- Approximately 66.49% of students are At-Risk.
- Approximately 12.89% of students have a 504 plan.
- Approximately 14.09% of students have Dyslexia.
- Approximately 8.08% of students are served through the Gifted and Talented program (GT). (Which is an Honors+ program in which extension activities are written into the Honors Curriculum in addition to a separate curriculum.)
- Approximately 53.5% of students take one or more Career and Technology Education (CTE) courses
- Twelve students were served in District Alternative Education Program (DAEP) placements in 2024-2025. (Students were sent to DAEP due to the implementation of HB 114. All students who were sent to DAEP have been in possession of a vape with the exception of three students. Two students served two times. One student served three times.)
- All staff is highly qualified.
- Professional Development (PD) is often offered through the Professional Learning Communities (PLCs), as well as through offerings on campus and district professional development days. That allows for frequent follow-up and discussions about new processes or methods.
- PLC form changes have encouraged greater collaboration and reflection around common assessment data.
- Additional protocols are regularly implemented during PLC periods for all contents (Lesson Refinement Protocol, Test Refining Protocol).
- Walk-throughs aid in verifying the implementation of district and campus priorities.
- Curriculum Based Assessments (CBAs) and State of Texas Assessments of Academic Readiness (STAAR) data help to evaluate the impact that professional development has on student achievement.
- Teachers are evaluated with the Texas Teacher Evaluation and Support System (T-TESS). Administrators are evaluated with the Texas Principal Evaluation and Support System (T-PESS).

Demographics Strengths

- Approximately 8.08% of students are served through the Gifted and Talented program.
- Approximately 53.5% of students take one or more Career and Technology courses.
- All staff is highly qualified.
- WMS staff is diverse. 35% of teachers are male. 65% of teachers are female. Various ethnicities are represented and several languages are spoken by staff members.
- Professional development is often offered through the PLCs, as well as through offerings on campus and district professional development days. That allows for frequent follow-up and discussions about new processes or methods.

- Walk-throughs aid in verifying the implementation of district and campus priorities.
- Blended training and technology competent teachers allow for effective collaboration in the Canvas Learning Management System (LMS).

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Based on student achievement data, our 8th grade RLA students are under performing.

Root Cause: There are opportunities to enhance the personalization of learning and the use of data to evaluate instructional effectiveness.

Problem Statement 2 (Prioritized): The Parent-Teacher Association (PTA) is experiencing low membership rates, impacting the level of parental involvement and support for school initiatives.

Root Cause: Families face barriers to PTA participation due to financial constraints and limited availability, which hinder their ability to engage fully with the organization.

Problem Statement 3 (Prioritized): White student math scores have plateaued, indicating a need for targeted instruction to accelerate growth and maximize their academic potential.

Root Cause: A lack of differentiated instruction and rigorous, engaging tasks may be limiting growth for our White students who are performing at or near grade level.

Overall, these results provide valuable insights into our students' academic strengths and areas for growth, guiding our efforts to support and challenge all learners.
- The scores of students in Special Education continue to perform below their peers based on 2025 data.
- We had 17 students take the Advanced Placement (AP) Spanish Language and Culture Exam in 2025. 88% of the students scored a three or higher. This was a 15% increase from 2024.
- Three of seven Distinctions Earned in 2025. Academic Achievement in Mathematics, Postsecondary Readiness, and Top 25%: Comparative Closing the Gaps

Student Learning Strengths

- Watauga Middle received an 87 campus rating in Spring 2025. This is considered “Recognized” by the TEA.
- Algebra EOC: 100% Approaches, 92% Meets, 75% Masters
- We had 17 students take the Advanced Placement (AP) Spanish Language and Culture Exam in 2025. 88% of the students scored a three or higher.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): While Approaches Grade Level achievement remains relatively steady, Meets Grade Level achievement continues to lag.

Root Cause: Lesson planning could benefit from a more intentional emphasis on high rigor and open-ended questioning. Additionally, higher-level questioning should be more purposefully integrated, and there is a need to better address the needs of Tier 2 students.

Problem Statement 2 (Prioritized): Honors courses are not reaching appropriate level of rigor to promote increase in Masters Grade Level on STAAR Testing.

Root Cause: There is a need for increased expectations for learners and for more comprehensive training for teachers to effectively support Honors-level instruction.

School Processes & Programs

School Processes & Programs Summary

- Our daily schedule consists of eight 47 minute class periods.
- State law helps to determine the amount of time assigned to each content area.
- A Dyslexia Program is used to aid students who are dyslexic.
- Each teacher offers several tutorial times each week, with at least one after-school tutorial session and one before-school tutorial session.
- Gifted and Talented (GT) services are through participation in Honors+ courses.
- Our campus strictly adheres to the state standards and the district curriculum.
- During Professional Learning Communities (PLC), our teachers align their classroom teaching to the rigor of the Common Based Assessments (CBAs) and State of Texas Assessments of Academic Readiness (STAAR), with a focus on district Tier 1 instruction priorities. This is evidenced by the lessons and common assessments used to determine student retention of material.
- CBAs are used to measure the effectiveness of the district curriculum and the pacing of the teaching. These scores may be used to figure into the students' averages as daily grades. Data discussions, guided by the district CBA protocol, focus on instructional implications of data and student remediation needs.
- Tier 1 coherency documents outline expectations for implementation in all core content areas.
- Team specific, measurable, attainable, relevant and time-bound (SMART) goals encourage goal-setting and behaviors that will help to reach those goals, as individuals and PLC teams.
- Response to Intervention (RtI) is implemented through pull-out intervention programs based upon STAAR scores, CBA scores, Universal Screener results, and classroom teacher observations.
- Teacher growth in Continuous Improvement will be supported by classroom walk-throughs and subsequent coaching conversations.
- All staff is highly qualified.
- Staff is recruited through Enterprise through Region XI and staff recommendations.
- Professional development is often offered through the PLCs, as well as through offerings on campus and district professional development days. This allows for frequent follow-up and discussions about new processes or methods.
- Walk-throughs aid in verifying the implementation of new initiatives and protocols, including departmental coherency documents.
- CBAs and STAAR help to evaluate the impact our professional development has on student achievement.
- Teachers have been trained on the T-TESS evaluation system and have begun collecting data related to Student Learning Objectives.
- Our campus has a vast number of resources available. Each classroom operates with a minimum of one teacher computer, a projector, and a Newline Interactive Panel. Classrooms also have a document camera to use. CTE has 33 laptops and 20 desktops. Reading Improvement has 3 desktops and thirty-five (35) laptops. Our library has nine (9) student computers, and two (2) teacher computers available.
- Birdville Independent School District (BISD) and WMS technology resources are used only for learning, teaching, and administrative purposes consistent with the district and campus mission and goals.
- BISD has implemented a 1:1 system.
- Watauga Middle School is a blended learning campus. This is to focus on teacher use of structures such as station rotation and play-lists that foster student initiative and ownership of learning. This program is well-aligned to Continuous Improvement tools such as Plan-Do-Study-Act (PDSA) and student data folders.

School Processes & Programs Strengths

- A pull-out intervention program has been designed to aid those students needing more instructional time in Reading.
- Each teacher offers several tutorial times each week, with at least one after-school tutorial session and one before-school tutorial session.
- Our campus strictly adheres to the state standards and the district curriculum.
- Our campus principal is ultimately responsible for new programs or changes to current programs. However, she is inclusive of key members of staff in the decision making

process, including Leaders of Learners and other teacher leaders.

- During PLC, our teachers align their classroom teaching to the rigor of the CBAs and STAAR, with a focus on district Tier 1 instruction priorities. This is evidenced by the lessons and common assessments used to determine student retention of material.
- CBAs are used to measure the effectiveness of the district curriculum and the pacing of the teaching. These scores may be used to figure into the students' averages as daily grades. Data discussions, guided by the district CBA protocol, focus on instructional implications of data and student remediation needs.
- Tier 1 coherency documents outline expectations for implementation in all core content areas.
- Team SMART (specific, measurable, attainable, relevant and time-bound) goals encourage goal-setting and behaviors that will help to reach those goals, as individuals and PLC teams.
- Teacher growth in Continuous Improvement will be supported by classroom walk-throughs and subsequent coaching conversations.
- All staff is highly qualified.
- Professional development is often offered through the PLCs, as well as through offerings on campus and district professional development days. That allows for frequent follow-up and discussions about new processes or methods.
- All first year teachers attend new teacher program initiatives and are provided a mentor on campus.
- Our campus has a vast number of resources available.
- Students clearly understand the expectations regarding their behavioral and academic performance through the campus C.H.A.M.P.s (Communication, Help, Activity, Material, Participation) program. This initiative defines the organization and activities of the classroom, setting the tone for classroom management by our teachers.
- BISD and WMS technology resources are used only for learning, teaching, and administrative purposes consistent with district's and campus mission and goals.
- Watauga Middle School is a blended learning campus. This is to focus on teacher use of structures such as station rotation and play-lists that foster student initiative and ownership of learning. This program is well-aligned to Continuous Improvement tools such as PDSA and student data folders.
- In order to best serve our SPED population, WMS has the AABLE program and SEEC program:

The Academic and Adaptive Behavior Learning Environment (AABLE) program includes students with significant deficits in cognitive and adaptive behaviors who demonstrate needs in functional and developmental areas. Instruction emphasizes academics, communication, socialization, personal management, vocational, and functional skills. The Secondary Structured Environment to Enhance Communication (SEEC) program includes students with significant deficits in cognitive and adaptive behaviors who demonstrate needs in functional and developmental areas who are non-verbal. Instruction emphasizes academics, communication, socialization, personal management, vocational, and functional skills.

- WMS offers Resource Math and Reading classes; as well as Learning Lab support in all core subjects.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): The need for professional development aligned to district and campus initiatives is significant.

Root Cause: A lack of coordinated, ongoing professional development has resulted in inconsistent implementation of district and campus initiatives across classrooms.

Perceptions

Perceptions Summary

- Ethnically diverse parent representatives do participate in our site-based meetings on a voluntary basis and have a voice in campus decisions.
- There is a parent liaison on the Language (LPAC) committee.
- Survey data reveals that teachers and students feel that they are safe while in school at WMS.
- Students have a wide variety of academic and extracurricular activities available at Watauga Middle School. This provides a variety of activities that pique the students' interests and build on their academic and social growth.
- We offer campus communications in several languages to accommodate our families that do not speak English as their first language.
- Bullying is an issue we take very seriously at Watauga Middle School, as we document each and every case where a student feels threatened or bullied. The administration team continually works to educate students and parents alike on the parameters of bullying and follows House Bill (HB) 1942 set forth by the state of Texas addressing cyber-bullying, bullying, and harassment in schools.
- Campus administrators meet with victims of bullying and their perpetrators to resolve student issues and foster a culture of Social Emotional Learning (SEL) Character Traits. Students, parents and staff have access to Anonymous Alerts, as well as other tools for prevention and reporting.
- Discipline data reveals a small percentage of students making up most of the office referrals. These offenses typically are classroom disruptions that negatively affect the learning environment and these students are issued the appropriate consequence for their misbehavior.
- In the 2023-2024 school year, twelve students were served in District Alternative Education Program (DAEP) placements in 2023-2024. (Students were sent to DAEP due to the implementation of HB 114. All students who were sent to DAEP have been in possession of a vape with the exception of three students. Two students served two times. One student served three times.)

Perceptions Strengths

- Parents attend Choir and Band Concerts.
- Fall and Spring Open House are well-attended.
- Advancement Via Individual Determination (AVID) Family Nights and student events are well-attended.
- School Theater plays draw faculty, staff, parents, and other community members.
- Math and Science Nights are extremely interactive, with both students and parents providing positive feedback.
- Choir does "carolling" tours to the elementaries and to nursing homes.
- Teachers and students feel that they are safe while in school at WMS.
- Students clearly understand the expectations regarding their behavioral and academic performance through the campus Communication–Help–Activity–Material–Participation (C.H.A.M.P.'s) program. This initiative defines the organization and activities of the classroom, setting the tone for classroom management by our teachers.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Increasing community involvement through consistent, two-way communication will strengthen partnerships that support student learning and success.

Root Cause: Limited opportunities for meaningful, two-way communication have hindered strong community involvement and partnership in supporting student achievement.

Priority Problem Statements

Problem Statement 1: Based on student achievement data, our 8th grade RLA students are under performing.

Root Cause 1: There are opportunities to enhance the personalization of learning and the use of data to evaluate instructional effectiveness.

Problem Statement 1 Areas: Demographics

Problem Statement 2: Honors courses are not reaching appropriate level of rigor to promote increase in Masters Grade Level on STAAR Testing.

Root Cause 2: There is a need for increased expectations for learners and for more comprehensive training for teachers to effectively support Honors-level instruction.

Problem Statement 2 Areas: Student Learning

Problem Statement 3: While Approaches Grade Level achievement remains relatively steady, Meets Grade Level achievement continues to lag.

Root Cause 3: Lesson planning could benefit from a more intentional emphasis on high rigor and open-ended questioning. Additionally, higher-level questioning should be more purposefully integrated, and there is a need to better address the needs of Tier 2 students.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: The need for professional development aligned to district and campus initiatives is significant.

Root Cause 4: A lack of coordinated, ongoing professional development has resulted in inconsistent implementation of district and campus initiatives across classrooms.

Problem Statement 4 Areas: School Processes & Programs

Problem Statement 5: Increasing community involvement through consistent, two-way communication will strengthen partnerships that support student learning and success.

Root Cause 5: Limited opportunities for meaningful, two-way communication have hindered strong community involvement and partnership in supporting student achievement.

Problem Statement 5 Areas: Perceptions

Problem Statement 6: White student math scores have plateaued, indicating a need for targeted instruction to accelerate growth and maximize their academic potential.

Root Cause 6: A lack of differentiated instruction and rigorous, engaging tasks may be limiting growth for our White students who are performing at or near grade level.

Problem Statement 6 Areas: Demographics

Problem Statement 7: The Parent-Teacher Association (PTA) is experiencing low membership rates, impacting the level of parental involvement and support for school initiatives.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

Student Data: Assessments

- State and federally required assessment information
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant information
- Student failure and/or retention rates
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant achievements by race, ethnicity,

- gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- T-TESS data
- T-PESS data

Parent/Community Data

- Parent surveys and/or other feedback

Support Systems and Other Data

- Communications data
- Budgets/entitlements and expenditures data

Goals

Goal 1: Students will achieve their full potential through a system that is responsive to the academic, social and emotional needs of the student.

Performance Objective 1: Improve performance in Domain 3 Closing the Gaps by making more than a year's growth in reading and mathematics which would in turn increase the number of students performing at the "meets" and "masters" level as measured by the spring 2025 STAAR and EOC assessments. This will also increase Domain 1 Student Achievement which counts the number of students at the various performance levels for state assessments

Performance Objective 1 Problem Statements:

Demographics
<p>Problem Statement 1: Based on student achievement data, our 8th grade RLA students are under performing. Root Cause: There are opportunities to enhance the personalization of learning and the use of data to evaluate instructional effectiveness.</p>
Student Learning
<p>Problem Statement 1: While Approaches Grade Level achievement remains relatively steady, Meets Grade Level achievement continues to lag. Root Cause: Lesson planning could benefit from a more intentional emphasis on high rigor and open-ended questioning. Additionally, higher-level questioning should be more purposefully integrated, and there is a need to better address the needs of Tier 2 students.</p> <p>Problem Statement 2: Honors courses are not reaching appropriate level of rigor to promote increase in Masters Grade Level on STAAR Testing. Root Cause: There is a need for increased expectations for learners and for more comprehensive training for teachers to effectively support Honors-level instruction.</p>
School Processes & Programs
<p>Problem Statement 1: The need for professional development aligned to district and campus initiatives is significant. Root Cause: A lack of coordinated, ongoing professional development has resulted in inconsistent implementation of district and campus initiatives across classrooms.</p>

Goal 1: Students will achieve their full potential through a system that is responsive to the academic, social and emotional needs of the student.

Performance Objective 2: Close the achievement gaps for all underperforming and designated subgroups, as measured by state and district assessments.

High Priority

Evaluation Data Sources: Historical performance by student subgroup on state and district assessments
