"WE RISE BY LIFTING OTHERS." — ROBERT INGERSOLL

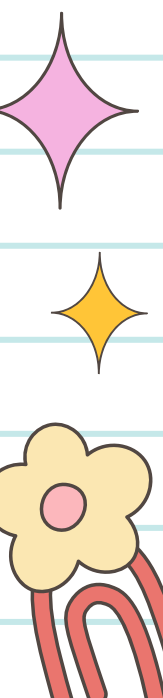

Welcome & Belonging

Feeling like you belong at school makes a huge difference in your happiness and success. Everyone wants to be seen, heard, and valued — and we all have the power to make others feel included. A small act of kindness or a simple “hi” can help someone feel like they’re part of the Garrison Trooper family.

Did you know?!

Research shows that students who feel connected to their school have higher grades, better attendance, and lower stress. A welcoming environment benefits everyone — and you can help create it.

Tip of the week!

Invite someone new to sit with you at lunch or join you in an activity — small gestures can make a big difference.

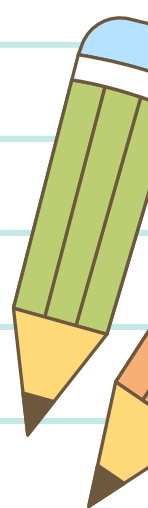

Challenge!

Learn three new classmates’ names this week and greet them when you see them.
