What an Incredible Week at KHS!

It has been a truly remarkable week at Killingly High School! Today was another great day, beginning with a new episode of KTV and filled with energy and pride across our campus.

We were thrilled to welcome the Class of 2030 from KIS to visit the high school and explore the many outstanding academic, artistic, and career programs we have to offer. It's hard to believe how quickly time passes, but what an exciting milestone to meet our future Trailblazers!

For me personally, it was the first time seeing our combined choir and bands perform and I couldn't be more proud of the talent and collaboration on display.

A huge thank you goes out to Ms. Tilton and our School Counseling Department for their incredible work in preparing students for the PSATs, College Planning sessions, Common App support, 8th grade tours, and recruitment activities. I also want to recognize Ms. Cardinal and the AgriScience staff for their ongoing outreach efforts to keep our programs vibrant and strong.

This week also included class meetings, where students received important information about obligations and learned about upcoming opportunities and events for the year ahead.

I am deeply appreciative of our faculty and staff for their flexibility and support as we navigated adjusted schedules and provided such meaningful programming for our students.

Finally, as a reminder, Parent-Teacher Conferences are approaching. Please reach out to teachers directly using the links that were shared in my October 9th email to schedule your appointments.

Stay tuned for updates and details on:

- Parent-Teacher Conferences
- Prom Announcements
- Homecoming - The introduction of our new Mascot!
- College and career planning
- Field trips and travel opportunities

Thank you for your continued partnership and support as we work together to make this a positive, engaging, and inclusive year for all members of the KHS community.

Warm regards,
Carrie Apanovitch
Principal, Killingly High School

✨ Save the Date!
KHS Junior–Senior Prom
Friday, May 22, 2026
Foxwoods Resort

We are excited to share an exciting update regarding this year's Prom. Beginning this year, Killingly High School will host a combined Junior–Senior Prom rather than two separate events.

This new format reflects our continued commitment to fostering inclusion, collaboration, and school spirit. By bringing our juniors and seniors together, we can create a truly memorable and unified celebration for both classes. This change also provides several meaningful benefits:

- **Inclusivity and community:** A shared prom encourages all students to celebrate together and strengthens our sense of school pride.
- **Enhanced experience:** With one larger event, we can explore a wider range of venues and offer a more elegant and memorable experience.
- **Cost effectiveness:** Consolidating our efforts allows us to manage costs more efficiently for both families and the school.h

- **Better scheduling:** A single prom avoids overlapping with spring athletics, school trips, Spring Vacation, AP exams, and other end-of-year commitments. This year was a greater challenge prompting us to consider this revision.
  While Killingly High School takes pride in its strong traditions, we are equally proud of our ability to adapt and evolve in ways that best serve our students. We are confident this new approach will result in an outstanding celebration that honors both the **Class of 2026** and the **Class of 2027**.

We will continue to recognize each class individually, including maintaining a Prom Court for both juniors and seniors, along with a few extra touches to make the evening even more special.

We look forward to a wonderful evening of celebration, unity, and pride for our students and families.
