

It is a short week of school this week. Enjoy the long weekend with family and friends. Thank you for all you do to be a partner in learning with us at FES! It was great to see so many families last week at conferences. We love sharing what is happening at FES!

Important Dates

Oct. 16th-17th	No School - MEA Break
Oct. 24th	FES Bowling Night - see sign up below
Nov. 4th	No School - Staff Development Day

New Mindset and House Activity

Today we kicked off our houses with our students and added the new kindergarten class to our houses. It was fun to see the interactions and connections they were making. Houses are made of students across grade levels with staff supporting them through activities. Today we did introductions and refreshed our memories on the hand shake or signals that each house uses. We are also kicking off the mindset 100% Accountable. We will be reviewing expectations in different areas of the building. Here is the parent information for our mindset.

Change of Transportation at the end of the day

If you need to make a change to your child's end of day transportation, please call the office at 651-463-9000, by 1:30pm if at all possible. The end of the day can be very busy in both the office and the classrooms, and we can't guarantee last minute calls with information will make it to a teacher. If you send something to the teacher during the day, please request that they acknowledge the message as they may not have time to check messages until after school.

FES Cookbook

This will be a collection of community recipes sure to be a keepsake for a lifetime, used daily for dinner ideas, or a great holiday gift for loved ones, friends, and

neighbors. Each student can provide a maximum of two recipes, one could be their favorite and another could be your favorite. Remember all profits directly go to FES PTP/FES!

We encourage you to enter a recipe with your child regardless of if you decide to purchase a cookbook or not. Please let us know if you have any questions (FESPTP@gmail.com). These cookbooks will be delivered in your child's backpack before the holiday break.

Lunchroom Supervisor Opportunity

Interested in connecting with students on a daily basis, while getting paid for it? We have a great opportunity for you. We are looking for a 4th grade lunch supervisor for FES. Please take a look at the link if you are interested in learning more.

Family Support Worker

With the warm beginning to October, you might not realize that you are currently protected by Minnesota's [Cold Weather Rule](#). It requires your utility company to set up an appropriate payment plan with you before disconnecting services for past-due balances. Please let me know if you'd like help understanding or making use of the Cold Weather Rule, or if you need financial assistance for a past-due bill.
