

The Kettering Board of Education is Hitting the Road!

As the Kettering City School District continues its Future-Ready Facilities Planning process through the 2025-26 school year, the Board of Education is **relocating many of its Regular Board Sessions and Work Sessions** from the Recital Hall at Fairmont High School to the district's school buildings.

This move offers the school community an opportunity to attend Board Meetings, see district facilities and gain insight into the Ohio Facilities Construction Commission's (OFCC) recommendations to consolidate and build new schools.

Please join the Kettering BOE at any of its upcoming meetings. ("Traveling" Meeting schedule and locations are listed on back of flyer.) The Oct. 21, Regular Session, followed by the *Roush Hall of Fame Induction*; and the Nov. 18, Regular Session; will take place in the Fairmont High School Recital Hall. In addition to the "traveling" Board Meetings, the district will host Future-Ready Facilities Community Forums on Nov. 19 (KMS); Jan. 27 (JFK); Feb. 10 (FHS) & April 14 (VBMS)
