

Business Partnership Form

ABOUT US

The mission of Mountain Education (ME) is to provide an opportunity for students across North Georgia to earn an accredited high school diploma in a student-centered, self-paced, public high school. We have 19 campuses located throughout North Georgia. We are open year-round and hold evening classes Monday through Thursday. In addition to serving full-time students pursuing a diploma, we also provide credit recovery opportunities. Students complete coursework at ME which is transferred back to the high school in which they are enrolled full-time. **Whether a student currently feels left behind or would like to get ahead, Mountain Education is the place for them.**

WHO ARE OUR STUDENTS?

Students find their place at Mountain Education for a variety of reasons. ME is a great option for students who:

- Need flexible attendance for life circumstances
- Need to work during the day
- Have fallen behind in school
- Need to care for children
- Want to get ahead in their high school credits
- Are looking for individualized learning
- Have dropped out of high school

WHY BECOME A BUSINESS PARTNER?

Business partners are a lifeline for Mountain Education. Your support helps fund amazing programs for students, families and employees. There are opportunities throughout the year where donations from our partners are vital to help pay for things that are not fully covered by the school budget. Your support will be a key component to the success of our programs.
