Partnering together to **Invest** In West

Invest Your Time
Invest Your Talent
Invest Your Resources

Generous contributions from the West Community- whether financial, in-kind donations, or volunteerism- allow our school to provide vital resources and opportunities that benefit our students, support our dedicated teachers, and celebrate the achievements of both students and staff.

Volunteer opportunities include: classroom speakers, community field trips, STEM/Pathways expertise, art and music showcases, supplies/materials donations, student and staff recognition donations, and more! A full list of opportunities is available online.
