

# COLEGIO SAN IGNACIO

The Jesuit school of Puerto Rico • Men for Others

2025-2026  
SCHOOL PROFILE

## ABOUT OUR SCHOOL & COMMUNITY

Colegio San Ignacio de Loyola is in a suburban area of San Juan, the capital of Puerto Rico. Our school is a Jesuit, Catholic college preparatory school that seeks to form young men of competence, conscience, commitment, and compassion. Through our academic, athletic, co-curricular, spiritual, and service programs, we challenge our students to become young men of integrity, faith, and justice, committed to academic excellence and service for others.

## MISSION STATEMENT

We are a Jesuit school, a learning community that offers a comprehensive, Catholic education of excellence. We evangelize by educating young men and their families and by serving as a bridge between diverse contexts, to promote a sustainable world in which human relations are solidary, just, and fraternal, for the Greater Glory of God.

## CSI GRADING SYSTEM

CSI provides final grades by semester. The first semester runs from August to December, and the second from January to May. Final letter grades are converted to numerical grade points to calculate the cumulative grade point average (GPA). Advanced, Honors, and AP<sup>®</sup> courses are weighted. For Advanced and Honors courses, the grade will be raised by 0.5. For an AP course, when calculating the GPA, weighted grading scale increases by 1.0. We do not rank students.

A+	4.30	100-97
A	4.00	96-93
A-	3.70	92-90
B+	3.30	89-87
B	3.00	86-83
B-	2.70	82-80

## ACCELERATED PATHWAYS FOR TALENTED STUDENTS IN MATHEMATICS

San Ignacio offers multiple accelerated pathways for mathematically gifted students. For example, the PAC Program, available as an after-school option for sixth graders, allows successful participants to enroll in 8th grade Pre-Algebra as 7th graders. Students can also advance to higher grade classes by excelling in departmental and standardized tests, including College Board exams. Furthermore, San Ignacio provides a range of advanced, honors, and AP Math courses, that forms part of these accelerated pathways.
