## Understanding BARS NYS 3-8 Reports

BARS - BOCES Assessment Reporting Systems

This workshop empowers administrators, instructional leaders, and teachers to independently read, analyze, and apply BARS instructional report data. Participants will strengthen their capacity to make informed instructional decisions and implement strategies that directly support improved student achievement.

Participants will:

- Develop proficiency in interpreting BARS reports to identify trends, strengths, and areas for growth.
- Strengthen data analysis skills that guide evidence-based instructional planning and decision-making.
- Reflect together on how data insights can inform next steps.
