

EQUAL EDUCATIONAL OPPORTUNITY
[ISBA Code: 4001]

Every child, regardless of race, creed, color, sex, national origin, cultural or economic background, or disability, is entitled to equal opportunity for educational development and opportunity.

No student will be excluded from participating in, denied the benefits of, or subjected to discrimination under any educational program or activity conducted by the school corporation. The Board shall treat its students without discrimination as this pertains to, among other things, course offerings, athletics, counseling, employment assistance, and extracurricular activities.
