

Dear Rilke Community,

Thank you all for your incredible support as we wrapped up the school year. From helping with end-of-year activities to assisting with packing, your involvement truly made a difference. It's inspiring to see our parents, staff and students come together with such dedication.

Our most recent APC meeting was held on May 15, 2025. This year has presented challenges, but we remain focused on making thoughtful decisions in the best interest of our students. During the meeting, we discussed continuing budget and facility considerations. We confirmed two additional full-time positions that will be filled: a librarian and a health/outdoor PE teacher. These roles will support both students and staff by enhancing access to educational resources, promoting wellness, and contributing to a more engaging learning environment. We also approved the hiring of an evening custodian for the upcoming school year per ASD. Due to time constraints, other agenda items will be revisited in the fall.

We'd like to extend our heartfelt thanks to Akara Anglin, who recently resigned from the APC. We appreciate her time and dedication to Rilke Schule as Performance Chair. A special meeting was held on June 3, 2025, to fill the vacant seat. We are pleased to welcome Kim Jochum, who was appointed to serve the remainder of the term through February 2027. Thank you, Kim, for stepping up to serve our community. We also thank Staff Representative Robin Phillips for his service on the APC during the busy school year. He will be replaced by middle school teacher Tom Honer.

Looking ahead, our first APC meeting of the new school year is scheduled for **Thursday, August 21, 2025, at 6:00 p.m.** In the meantime, please send any questions, concerns, or comments to APC_Rilke@asdk12.org. We hope to see you there.

Wishing you a restful and enjoyable summer!

Warm regards and Herzlichen Grüßen,
Rilke Schule Academic Policy Committee (APC)
