

TRANSITION TO WORK

EMPOWERING STUDENTS WITH EMPLOYABILITY SKILLS THROUGH HANDS-ON EXPERIENCES AND TAILORED SUPPORT.

What We Offer

- Vocational training for students not ready for multi-skill programs
- Basic work skills and on-the-job learning opportunities
- Work-based learning in areas like retail, food service, landscaping, healthcare and more!

How it Works

- Classroom Training: Master workplace skills in a supportive environment
- Job Site Placements: Gain real-world experience with local business partners
- Summer Work Program: Optional extension for more learning opportunities

Characteristics of Success

- Good attendance and wants to work
- Follows directions and accepts constructive feedback
- Demonstrates good personal hygiene and cleanliness
- Observation, problem-solving, and interpersonal communication skills
- Ability to work as a team, and independently with minimal supervision when on a job site
