Demographics	4
Student Learning	34
School Processes & Programs	50
Perceptions	53
Priority Problem Statements	56
Goals	58
Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.	58
Goal 2: Board Goal B: The District and all Campuses maintaining a B or above in Domain I of the Texas A-F Accountability System.	99
Goal 3: Board Goal C: 100% of students graduating college-, career-, or military- ready, as defined by the Texas A-F Accountability System, with a focus on SAT or ACT college-ready scores, ASVAB, and earning industry-based certifications.	101
Goal 4: Board Goal D: All students will be taught each day by a high-quality teacher who is rigorously coached and regularly evaluated specifically on meeting the Board's adopted Student Outcome Goals in BQ(LOCAL), and delivering instruction aligned with the Texas Essential Knowledge and Skills (TEKS).	103
Policies, Procedures, and Requirements	105

Comprehensive Needs Assessment

Demographics

Demographics Summary

School Population:

Scharbauer Elementary opened its doors in 1985 and is named after Ruth Cowden Scharbauer, matriarch of the Scharbauer family that has influenced Midland for more than a century. Scharbauer Elementary is located in Northwest Midland in the Grassland Estates Community. Scharbauer Elementary serves students from Pre-Kindergarten through 6th grade. Scharbauer Elementary provides the following services for students: gifted & talented, dyslexia, speech, 504, counseling & behavioral support, and special education. We focus on developing well rounded students while meeting their needs academically, socially, and emotionally. Students are their own competition. Teachers at Scharbauer are focusing on planning, differentiating, scaffolding, and supporting all of our students' needs. We are dedicated to professional growth and development to fill in student gaps and increase student achievement.

For the 2024-2025 school year, enrollment at Scharbauer Elementary School was 579 for snapshot. Scharbauer ES draws from a very large attendance zone spanning from Briarwood Avenue across to 1788 and the Ector County line, down to the Upton County Line, and over to Highway 349. These areas include established neighborhoods, a children's foster care facility, and rental properties. The graphics below identify the student population breakdown by grade level:

2024-2025 School Year Below

Staff Information:

Scharbauer ES had a small turnover of teachers this year. For the end of the 2024-2025 school year, 2 teachers retired and 5 teachers moved out of district. For the upcoming school year, we will have 4 Multi-classroom Leaders (MCLs) and 4 Team Reach Teachers (TRTs). Using Opportunity Culture, we are identifying and targeting content areas in need of improvement and growth. This then allows our teachers to provide targeted intervention and support to help us fill academic gaps. The staff demographic information is as follows:

Staff Information	Count	Percent
Administrative Support	18	29.03%
Teacher	30	48.39%
Educational Aide	14	22.58%
Auxiliary	0	0.00%

Demographics Strengths

For the 2024-2025 school year, our overall student enrollment increased to roughly 580 students due to district rezoning and adding an additional PreKindergarten classroom.

Scharbauer ES will continue to be a part of Opportunity Culture this year. We will have four Multi-Classroom Leaders and four Team Reach Teachers distributed among the varying grade levels. The MCLs in the upper grades (3rd-6th) will focus on vertical

alignment planning, teacher coaching, and instructional support. The lower grade MCLs (K-2nd) will focus on horizontal grade level planning, teacher coaching, and instructional support.

This year, Scharbauer ES will continue utilizing strategies learned from Teach Like a Champion and Relay Graduate School of Education including strategies focused on lesson planning & internalization, lesson delivery, checking for understanding from all students, having exemplars in hand to provide immediate feedback and guide student thinking, and reteaching using guided discourse and modeling. Scharbauer ES will focus on implementing the professional learning communities framework using the data driven instruction processes to include standard breakdowns, examining exemplar student work to determine learning gaps, implementing reteaching strategies, and reassessing to determine effectiveness of the reteach. Through checking for understanding for all, we will focus on providing immediate support to our students to clarify any misconceptions and pull students in a small group setting when gaps have been determined.

Scharbauer ES has completed year three of school-wide implementation of positive behavior interventions and supports (PBIS). PBIS will continue to be at the center of student expectations while doing things the "Wrangler Way." Students are modeling the expectations of being safe, respectful, and responsible. Scharbauer ES is celebrating the successes of our students academically and behaviorally. We will use positive incentives such as Wrangler Bucks, Wrangler Way Certificates, Student of the Month, and the Wrangler Roundup to encourage our students in all areas.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Teachers do not consistently check for understanding for all students during whole group instruction.

Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 2 (Prioritized): Teachers do not consistently provide enrichment for students that are on grade level or above.

Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.

Problem Statement 3 (Prioritized): Scharbauer ES had an attendance rate of 92.88%. This falls below the district expectations of 95%.

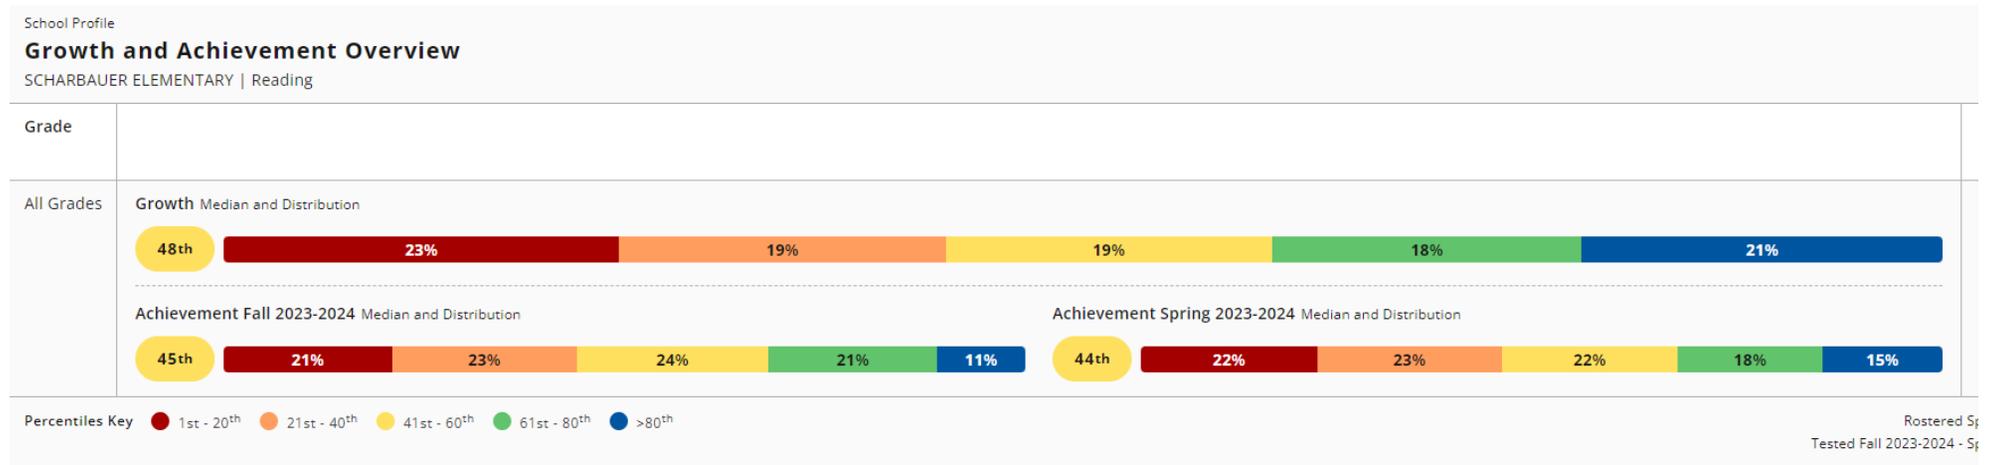

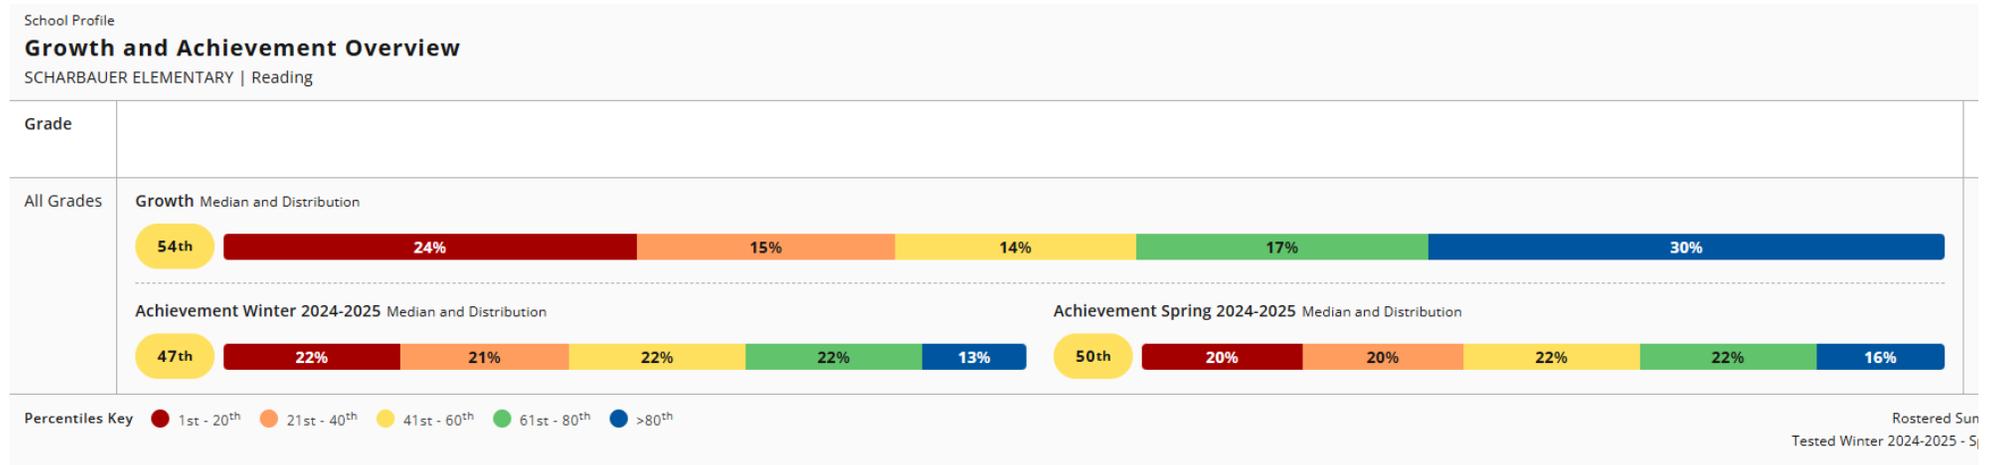

Root Cause: Scharbauer ES has a high student population without personal transportation.

Student Learning

Student Learning Summary

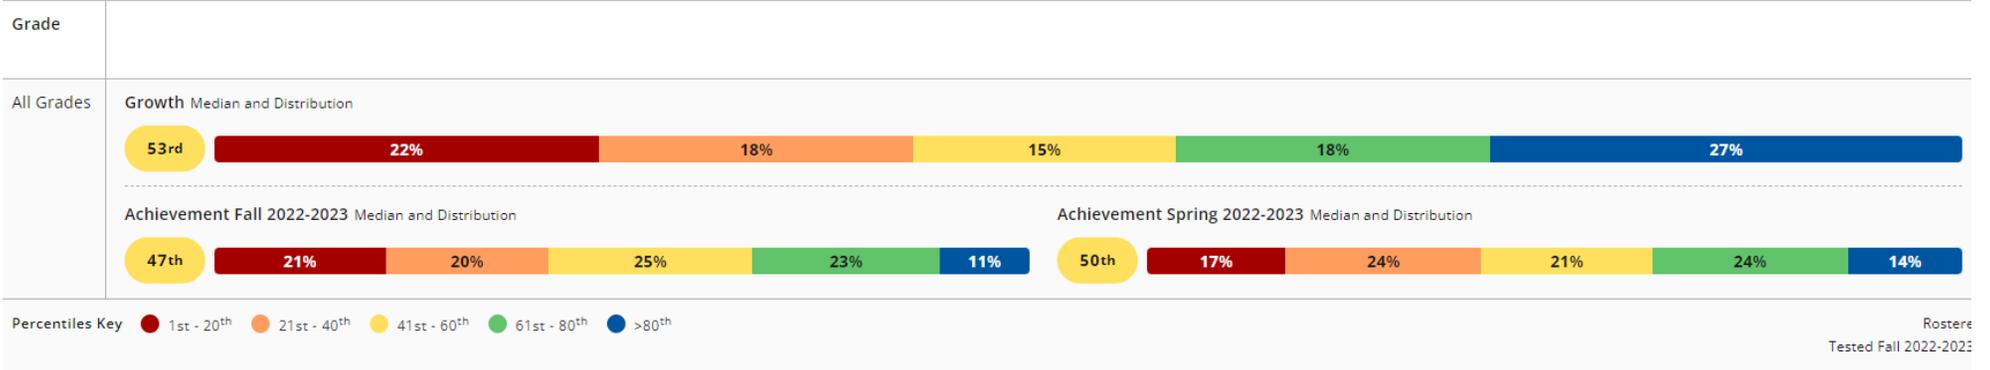

MAP ELAR Growth & Achievement:

For the 2024-2025 school year, Scharbauer ES increased in their growth for MAP ELAR scores to the 54th quantile of schools. Last year, we were in the 48th quantile. Achievement also increased from the 44th quantile to the 50th quantile. There is a breakdown of MAP ELAR data below:

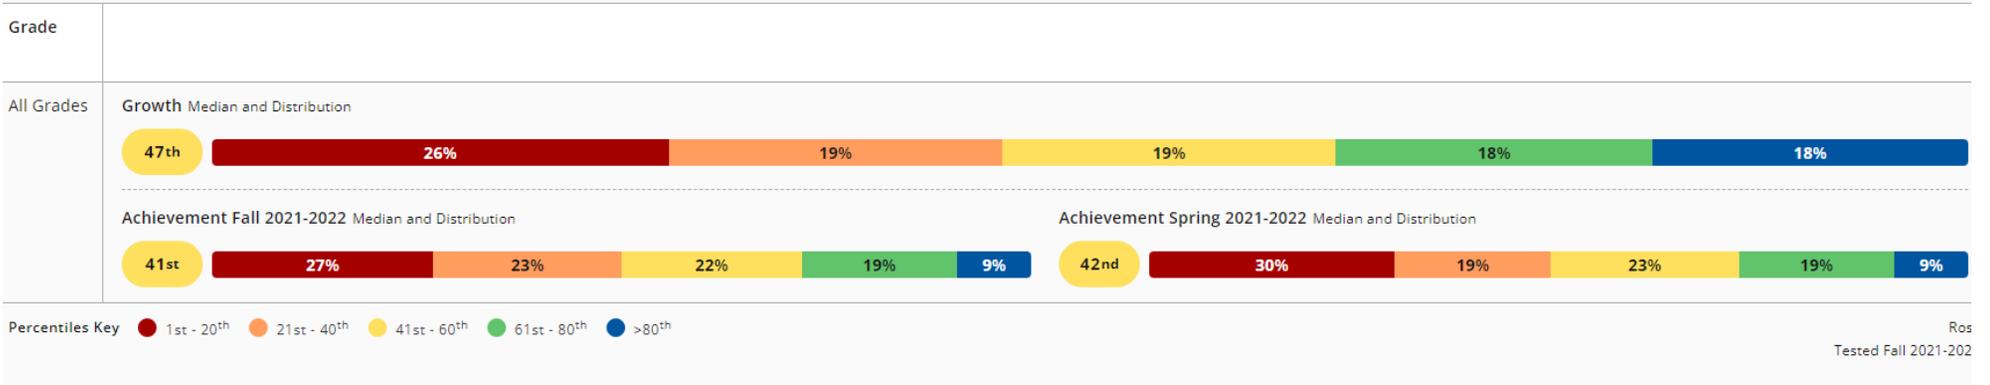

Growth and Achievement Overview

SCHARBAUER ELEMENTARY | Reading

Growth and Achievement Overview

SCHARBAUER ELEMENTARY | Reading

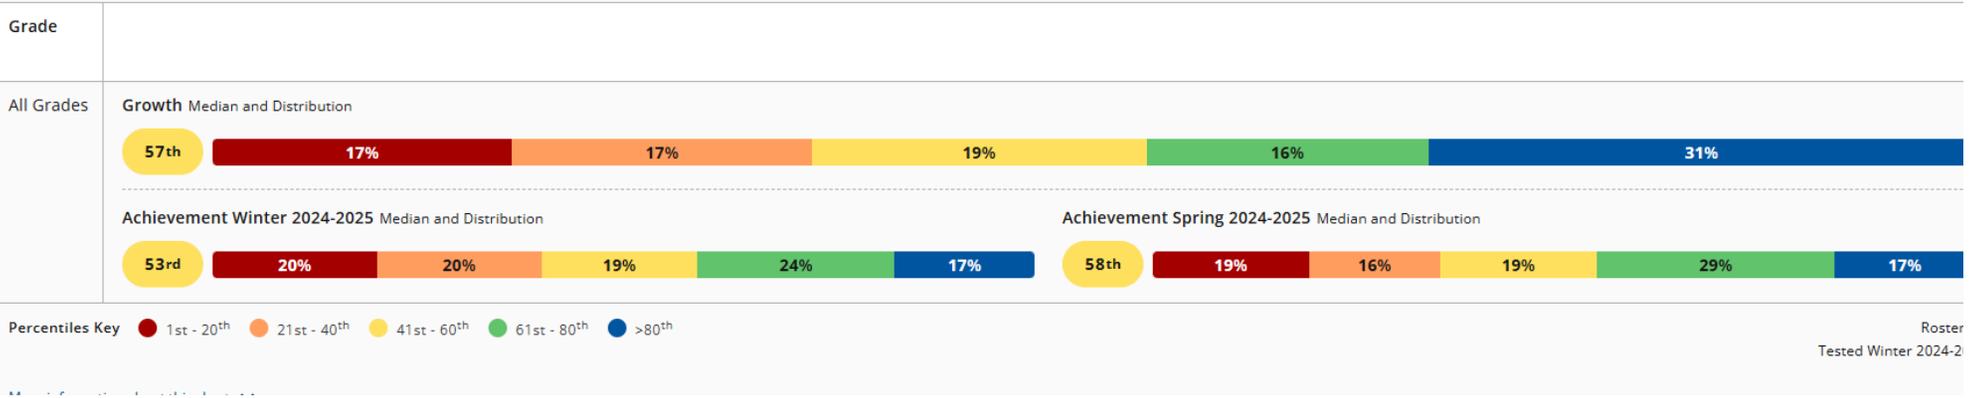

MAP Math Growth & Achievement:

For the 2024-2025 school year, Scharbauer ES improved their MAP Math growth scores to the 57th quantile from the 48th quantile. We have continuously improved our MAP Math growth over the last four years. Our achievement has followed that same path as well. Our achievement increased from the 51st quantile to the 58th quantile. The breakdown for MAP Math is below:

STAAR Performance

For the 2024-2025 school year, Scharbauer ES improved in performance in Math, ELAR, and Science STAAR for the areas of Approaches, Meets, and Masters grade level. Also, our overall accountability increased from an F two years ago to a B due to our focus on growth and closing the content gaps. Below are STAAR comparisons:

Student Learning Strengths

The STAAR data shows that we increased in every content area including Math, ELAR, Science for the proficiency levels of Approaches, Meets, & Masters, as well as growth and closing the gaps. We are beginning to fill in some gaps of our students and our achievement as well as growth has increased. Our overall campus rating has increased from an F two years ago, to a C last

year, and we are on track to earn a B for the 2024-2025 school year. We will continue to focus this year on differentiation at the small group table, checking for understanding from all students while providing Tier I instruction, providing immediate feedback to fill in the gaps in the moment, and continuing to build motivation, determination, and perseverance in our students to improve their academic growth and achievement.

We will continue to use data to drive our instruction and to provide targeted intervention and enrichment. We will ensure that our Tier I instruction will meet the rigor and specificity of the grade level and content area Texas Essential Knowledge and Skills. We will maintain high expectations and provide the supports needed for our students and staff to reach those high expectations. We will continue our focus on personal growth that encourages our students to be better than themselves. Each student is their own competition.

All students have access to one-to-one technology through the use of chromebooks for upper grade students and iPads for early childhood students. Many of the resources for curriculum that we utilize are interactive. We will continue to incorporate research based instructional strategies to increase and maintain student engagement. We will provide students multiple stimuli and ways to solve problems. We will use instructional strategies provided by Teach Like a Champion and Relay to help support our teachers and prepare them to engage all of our students.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Teachers do not consistently check for understanding for all students during whole group instruction.

Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 2 (Prioritized): Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels.

Root Cause: Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.

Problem Statement 3 (Prioritized): Teachers do not consistently provide enrichment for students that are on grade level or above.

Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.

School Processes & Programs

School Processes & Programs Summary

For the 2025-2026 school year, Scharbauer ES will be utilizing HQIM resources in addition to other TEKS aligned resources to provide high quality instruction. Our curricula resources will be: STEMScopes Math [Kinder-6th Grade], Amplify ELAR [Kinder-6th Grade], and SAVVAS Science. Tier I instruction, formal and informal assessments, exit tickets, and materials and activities will meet the rigor and specificity of the grade level TEKS.

Strategies obtained from Relay Graduate School of Business and Teach Like a Champion will be implemented in every classroom. We will continue to provide professional development for our leadership team and teachers for planning, PLCs, coaching, and feedback cycles. PLCs will continue being teacher-led, and they follow the four questions for Professional Learning Committees. During that time, teachers will plan, internalize lessons, and hold lesson rehearsals; analyze, review, and discuss data and reteaching options; and work together to ensure students are learning through Tier I instruction. During this time, teachers will plan for engagement, checking for understanding, and how to adjust their instruction for misconceptions and misunderstandings. The leadership team and administration will make campus based decisions with a high focus on prioritizing student instruction and learning time.

Teachers and administrators maintain open lines of communication with parents. We encouraged our teachers to respond to parents promptly. Communication is maintained via a school wide Class Dojo, Facebook page, email, and phone calls. We strive to handle any and every concern that any stakeholder may have timely and while maintaining open communication.

Students will partake in iLead lessons that will help build their character and grow as individuals and students. Teachers have been trained on the use of PBIS strategies to ensure positive student behavior supports and interventions. Positive incentives are used throughout the campus to encourage good choices academically and behaviorally such as Wrangler bucks, Wrangler Way certificates, and Wrangler of the month celebrations.

The master schedule accommodates the instructional minutes needed for each content area. In addition, we have blocked off specific time daily to prioritize math and reading intervention and enrichment. Tutoring will be provided by classroom teachers, individualized iReady learning pathways, and other OC teachers. Teachers will continue to receive training in those areas as needed to ensure that time is maximized for student support or enrichment.

Scharbauer has created different opportunities throughout the year for students and their families to participate in different school-related academic activities after hours that encourage a positive home to school relationship. We host many family nights and dancing programs where community members can come celebrate and participate in academic and creative activities.

Our School-Wide Title I program consists of extended days for tutorials and Saturday sessions for academic intervention. Our

MCLs, TRTs, and experienced classroom teachers allow for small group targeted instruction using data from assessments. Teachers identify learning gaps and determine how to effectively reteach the content to ensure student mastery.

Our students have one-to-one technology. Our 1st-6th grade students will be using chromebooks, while our Kindergarten and PreKindergarten students will be using iPads. We will also partake in UIL A+ Academics next year in the areas of Number Sense, Oral Reading, Spelling, Chess, and Math. Scharbauer will house a GEM 2.0 [Gifted Education Midland] that will serve students from Fasken, Greathouse, Parker, Rusk, Bush, Long, Henderson, Yarbrough, Scharbauer, and Burnet. In addition, we will maintain our Pre-Kindergarten sections to include 22 tuition based seats.

School Processes & Programs Strengths

Scharbauer ES will be utilizing an array of strategies, resources, and parent nights to engage our families throughout the year:

- Meet the Teacher
- PTA participation
- Monthly Parent Luncheons
- Student of the Month Luncheons
- Volunteer Programs within the school setting
- Fall/Spring evening events- academic nights and dancing performances
- Weekly Newsletter, updates on Class Dojo & Facebook
- Marquee
- Breakfasts for Special Events
- Gatti's Night
- Awards Ceremonies

Teachers will receive real time, immediate feedback and coaching sessions as needed based on the trends observed through walkthroughs. Teachers will also receive feedback and support to ensure they understand the expectations of the T-TESS Rubric. Our PLC structure allows for grades 3-6 to meet vertically based on content area and K-2 based on grade level. We focus on the instructional process of what we want students to learn, how we are going to know if they learned it, what we will do if they don't, and what we will do if they did. We will be focusing on filling in grade level content gaps during our What I Need (WIN)/ Intervention block and during after school tutoring. We will be focusing on closing new content gaps during small group instruction following whole group instruction.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): All teachers do not understanding of all of the components of a true Professional Learning.

Root Cause: Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 2 (Prioritized): New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful.

Root Cause: Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Problem Statement 3 (Prioritized): Scharbauer ES had an attendance rate of 92.88%. This falls below the district expectations of 95%.

Root Cause: Scharbauer ES has a high student population without personal transportation.

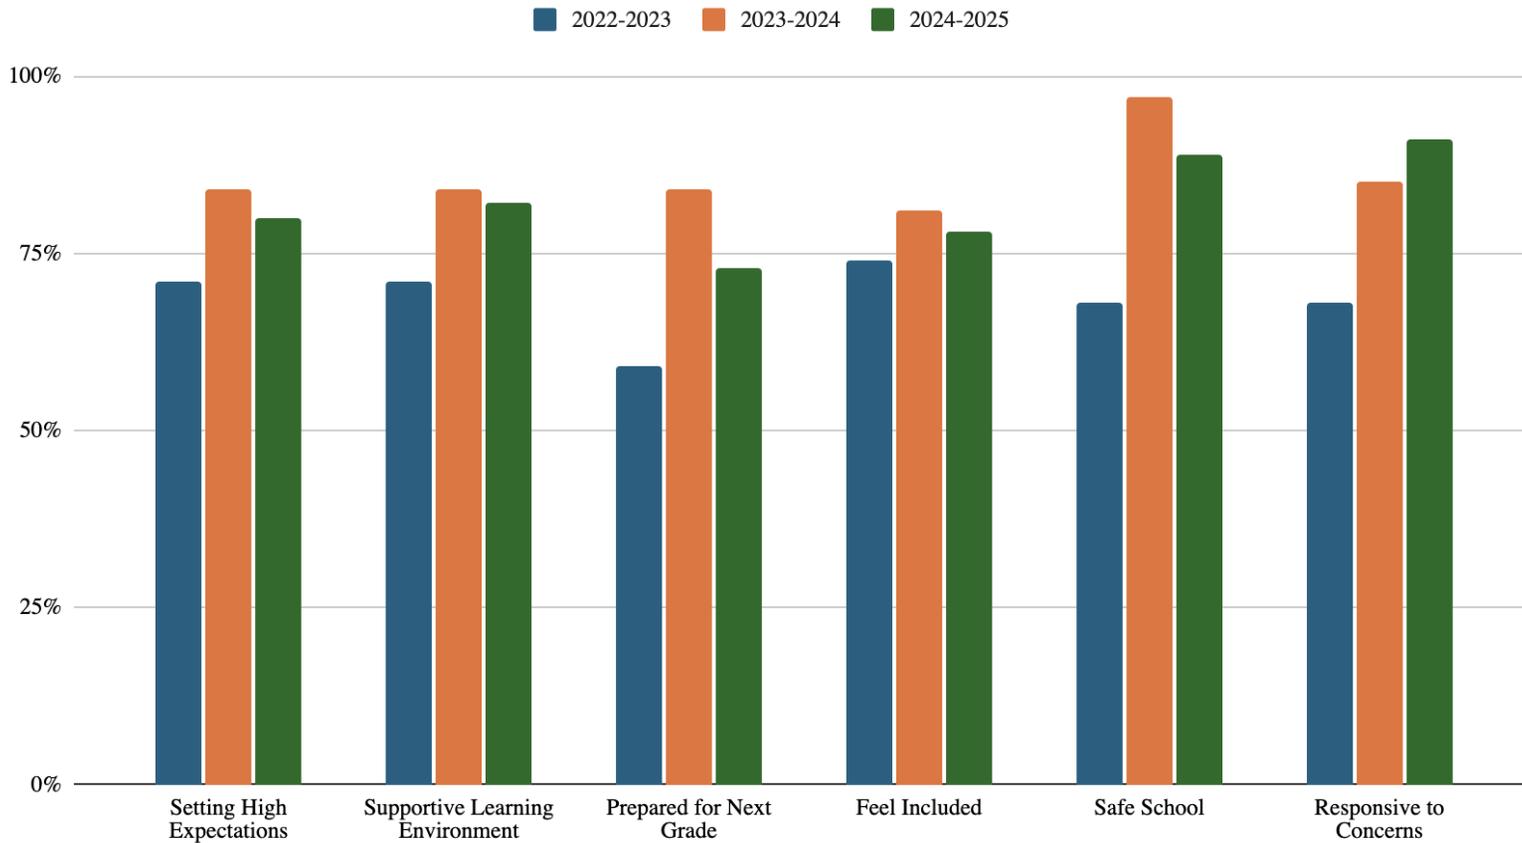

Perceptions

Perceptions Summary

Scharbauer ES continually strives to create a positive learning environment for students, parents, and other stakeholders. Our two primary goals are to keep our students safe and ensure that they are provided with a rigorous, engaging, and supportive educational experience that enhances their self-confidence and resilience. For those reasons, every decision that our school continues to make is student-centered. Our students will continue to be provided with opportunities to grow academically, socially, and emotionally. We strive to meet all of our students' needs. We encourage, develop, and support our students to self-monitor and self-correct when needed.

The perception of Scharbauer ES is continuing to change. We want all of our students, parents, community, and Midlanders to feel that Scharbauer is a great option for their students' academia. We use K-12 Insight Surveys to determine how we are improving in different areas from a parent perspective. A few of the survey results are below:

Parent K12 Survey Results

We are continuing to focus on increasing our parent engagement through offering many after school events as well as volunteer opportunities throughout the school day. We are working with our PTA to improve PTA participation and involvement. Last year, we increased our PTA membership from less than 30 to more than 90 members. We want our parents and community members to be a part of their students' education.

We also house a Communities in School representative and food pantry to support our students, families, and community members that may be in need of support.

We have worked hard creating a positive school climate that focuses on growth and development of all. This includes our teachers and staff. We are retaining teachers and staff members that prioritize students and their needs and maximizing

instructional time. We want our students to feel welcomed, supported, and encouraged to learn and grow academically, emotionally, and socially.

Perceptions Strengths

We will continue to provide surveys to families, staff, and students to find areas in need of improvement. We will then make adjustments as necessary to provide a better experience. We have improved and are maintaining high marks in many areas including setting high expectations, providing a supportive learning environment, helping students be prepared for the next grade level, students feeling included, the school being safe, and administrators being responsive to parental concerns.

We will continue to work with our PTA, families, and community to increase parental engagement, volunteer opportunities, and PTA participation for our students and school.

We will continue to focus on molding the whole student (academically, socially, and emotionally) by putting into practice the PBIS expectations, providing positive influences and high expectations, and providing positive reinforcements for students.

We will also continue to focus on improving student attendance and meeting student needs with our Communities in School representative, social worker, assistant principal, and principal fellow.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Community perception of Scharbauer ES remains lower with little support that we are a good school.

Root Cause: Lack of released passing accountability rating. Scharbauer ES has been rated an F or not rated for 7 of the last 8 years.

Problem Statement 2 (Prioritized): Scharbauer ES has low parent engagement and volunteering.

Root Cause: Lack of transportation for many of our families within our school community.

Problem Statement 3 (Prioritized): Scharbauer ES does not have sufficient stakeholder, community, and parental input in the decision making process.

Root Cause: All stakeholders have not felt their input is valued when making decisions regarding the campus.

Priority Problem Statements

Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction.

Root Cause 1: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 1 Areas: Demographics - Student Learning

Problem Statement 2: Scharbauer ES had an attendance rate of 92.88%. This falls below the district expectations of 95%.

Root Cause 2: Scharbauer ES has a high student population without personal transportation.

Problem Statement 2 Areas: Demographics - School Processes & Programs

Problem Statement 3: Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels.

Root Cause 3: Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: Teachers do not consistently provide enrichment for students that are on grade level or above.

Root Cause 4: Lack of resources and training for teachers to provide enrichment for students on or above grade level.

Problem Statement 4 Areas: Demographics - Student Learning

Problem Statement 5: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful.

Root Cause 5: Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Problem Statement 5 Areas: School Processes & Programs

Problem Statement 6: All teachers do not understanding of all of the components of a true Professional Learning.

Root Cause 6: Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 6 Areas: School Processes & Programs

Problem Statement 7: Scharbauer ES does not have sufficient stakeholder, community, and parental input in the decision making process.

Root Cause 7: All stakeholders have not felt their input is valued when making decisions regarding the campus.

Problem Statement 7 Areas: Perceptions

Problem Statement 8: Scharbauer ES has low parent engagement and volunteering.

Root Cause 8: Lack of transportation for many of our families within our school community.

Problem Statement 8 Areas: Perceptions

Problem Statement 9: Community perception of Scharbauer ES remains lower with little support that we are a good school.

Root Cause 9: Lack of released passing accountability rating. Scharbauer ES has been rated an F or not rated for 7 of the last 8 years.

Problem Statement 9 Areas: Perceptions

Goals

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 1: The percentage of PreK students performing at grade in ELAR will increase from 100% to 100% by 2026 as measured by CLI.

Evaluation Data Sources: CLI

Strategy 1 Details	Reviews			
<p>Strategy 1: The Midland ISD Three Cheers for Pre-K Letter Sound Scope and Sequence will be consistently implemented in the classroom, including strategies designed to meet the varied learning needs and styles of our PK students.</p> <p>Strategy's Expected Result/Impact: Students will be exposed to all of the letters & routines will be in place to help develop letter names & sounds with scaffolded exposure.</p> <p>Staff Responsible for Monitoring: Teachers & Administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: A high quality, veteran teacher will help plan and model daily instruction and coach our new Pre-Kindergarten teacher how to deliver effective Tier I instruction.</p> <p>Strategy's Expected Result/Impact: The PK team will maintain their collegiality and effectiveness which maximizes student outcomes.</p> <p>Staff Responsible for Monitoring: Administrators</p> <p>Problem Statements: School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June

Strategy 3 Details	Reviews			
<p>Strategy 3: PreKindergarten teachers will attend all required PreKindergarten training & PLCs to ensure alignment within the district and on campus.</p> <p>Strategy's Expected Result/Impact: All PreKindergarten teachers will be aligned with lesson delivery and instruction.</p> <p>Staff Responsible for Monitoring: Administrators & Early Childhood Directors</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
<p style="text-align: center;">  No Progress  Accomplished  Continue/Modify  Discontinue </p>				

Performance Objective 1 Problem Statements:

Demographics
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
Student Learning
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
School Processes & Programs
<p>Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. Root Cause: Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.</p> <p>Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. Root Cause: Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.</p>

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 2: The percentage of PreK students performing at grade level in Math will increase from 97% to 100% by 2026 as measured by CLI.

Evaluation Data Sources: CLI

Strategy 1 Details	Reviews			
<p>Strategy 1: The Midland ISD Three Cheers for Pre-K Math will be consistently implemented in the classroom, including strategies designed to meet the varied learning needs and styles of our PK students.</p> <p>Strategy's Expected Result/Impact: Students will be exposed to numbers, patterns, subsidizing, and counting and will perform well on their EOY assessment.</p> <p>Staff Responsible for Monitoring: Teachers & Administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews

Performance Objective 2 Problem Statements:

Demographics

Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. **Root Cause:** Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. **Root Cause:** Lack of resources and training for teachers to provide enrichment for students on or above grade level.

Student Learning

Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. **Root Cause:** Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. **Root Cause:** Lack of resources and training for teachers to provide enrichment for students on or above grade level.

School Processes & Programs

Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. **Root Cause:** Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. **Root Cause:** Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 3: The percentage of Kinder students performing at grade in ELAR will increase from 60% to 65% by 2026 as measured by mCLASS.

Evaluation Data Sources: mCLASS

Strategy 1 Details	Reviews			
<p>Strategy 1: Scharbauer will utilize coaching and feedback cycles provided by our MCL using the Teach Like a Champion and Get Better Faster waterfall to improve classroom management, student engagement, checking for understanding from all students, and Tier I instruction. Support will be based on teacher effectiveness.</p> <p>Strategy's Expected Result/Impact: Teachers will be provided with research based action steps to help meet student needs and improve their instructional delivery.</p> <p>Staff Responsible for Monitoring: Leadership Team & administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: Using formative and summative assessment data, Kinder teachers will determine small groups after Tier I instruction and targeted reading intervention groups based on student need and gaps that will take place during our intervention block.</p> <p>Strategy's Expected Result/Impact: Fill in content gaps during small group instruction and intervention/enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, MCLs</p> <p>Problem Statements: Demographics 1 - Student Learning 1, 2 - School Processes & Programs 2</p>	Formative			Summative
	Nov	Feb	Apr	June

Strategy 3 Details	Reviews			
<p>Strategy 3: With coaching provided by MCLs, PLC Instructional Process (TLAC) and DDI process (Relay) will be implemented with fidelity including lesson internalization, planning, assessment, lesson delivery & practice, analysis of student work & data, checking for understanding and reteaching.</p> <p>Strategy's Expected Result/Impact: ELAR teachers will internalize lessons, provide on grade level Tier I instruction, provide differentiation at the small group table to meet the needs of all students, assess students to determine mastery of the content, delivery engaging lessons, address the gaps in content knowledge of their students, and how to provide additional reteach and/or enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, Leadership Team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3 - School Processes & Programs 1</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 4 Details	Reviews			
<p>Strategy 4: We will utilize HQIM resources such as Amplify & MRF for Tier 1 and Tier 2 instruction.</p> <p>Strategy's Expected Result/Impact: Rigorous instruction that meets the specificity of TEKS.</p> <p>Staff Responsible for Monitoring: Admin & Leadership team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
				

Performance Objective 3 Problem Statements:

Demographics
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
Student Learning
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 2: Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels. Root Cause: Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.</p> <p>Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>

School Processes & Programs

Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. **Root Cause:** Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. **Root Cause:** Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 4: The percentage of Kinder students performing at grade level in Math will increase from % to % by 2026 as measured by iReady.

Evaluation Data Sources: iReady

Strategy 1 Details	Reviews			
<p>Strategy 1: Kindergarten math teachers will check for understanding from all students while ensuring that our students understand the concrete, representational, and abstract understanding of the curriculum.</p> <p>Strategy's Expected Result/Impact: Teachers will be provided with research based action steps to help meet student needs and improve their instructional delivery.</p> <p>Staff Responsible for Monitoring: Leadership Team & administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: Using formative assessment data, kinder teachers will document students for small group on their exemplars and provide targeted math intervention based on summative data that will take place during our intervention block.</p> <p>Strategy's Expected Result/Impact: Fill in content gaps during small group instruction and intervention/enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, MCLs</p> <p>Problem Statements: Demographics 1 - Student Learning 1, 2 - School Processes & Programs 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 3 Details	Reviews			
<p>Strategy 3: MLC led PLCs will include the PLC Instructional Process (TLAC) and DDI process (Relay) with fidelity including lesson internalization, planning, assessment, lesson delivery & practice, analysis of student work & data, checking for understanding and reteaching.</p> <p>Strategy's Expected Result/Impact: Kinder teachers will internalize lessons, provide on grade level Tier I instruction, provide differentiation at the small group table to meet the needs of all students, assess students to determine mastery of the content, delivery engaging lessons, address the gaps in content knowledge of their students, and how to provide additional reteach and/or enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, Leadership Team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3 - School Processes & Programs 1</p>	Formative			Summative
	Nov	Feb	Apr	June

Strategy 4 Details	Reviews			
<p>Strategy 4: We will utilize HQIM resources such as Stemscofes for Tier 1 and Tier 2 instruction.</p> <p>Strategy's Expected Result/Impact: Rigorous instruction aligned with TEKS.</p> <p>Staff Responsible for Monitoring: Admin & Leadership team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 2</p>	Formative			Summative
	Nov	Feb	Apr	June

Performance Objective 8 Problem Statements:

Demographics

Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. **Root Cause:** Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. **Root Cause:** Lack of resources and training for teachers to provide enrichment for students on or above grade level.

Student Learning

Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. **Root Cause:** Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.

Problem Statement 2: Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels. **Root Cause:** Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.

Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. **Root Cause:** Lack of resources and training for teachers to provide enrichment for students on or above grade level.

School Processes & Programs

Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. **Root Cause:** Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. **Root Cause:** Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 9: The percentage of 3rd-grade students who score Meets Grade Level Performance or above on the Reading Language Arts STAAR assessment will increase from 39% to 44% by 2026.

Evaluation Data Sources: STAAR

Strategy 1 Details	Reviews			
<p>Strategy 1: Third grade teacher will implement effective reading and writing strategies that align more closely with the TEKS and extended constructed response grading rubric to increase student mastery.</p> <p>Strategy's Expected Result/Impact: Increase in extended constructed response scores.</p> <p>Staff Responsible for Monitoring: Leadership Team & administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: Teacher will use CFUs to determine students that need small group support and targeted intervention while focusing on our lowest two subpopulations and providing enrichment for our students to increase our meets and masters percentages.</p> <p>Strategy's Expected Result/Impact: Fill in content gaps during small group instruction and intervention/enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, MCLs</p> <p>Problem Statements: Demographics 1 - Student Learning 1, 2 - School Processes & Programs 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 3 Details	Reviews			
<p>Strategy 3: Students will attend Saturday sessions in the Spring and after school tutoring throughout the year to receive targeted support for ELAR.</p> <p>Strategy's Expected Result/Impact: Increase the percentage of students that meet or exceed their STAAR performance level for Reading.</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3</p>	Formative			Summative
	Nov	Feb	Apr	June

Strategy 4 Details	Reviews			
<p>Strategy 4: Teachers will analyze exit slips each day and record daily mastery of Tier I instruction. The Campus North Star goal is 80%. Administrators and MCLs will observe the daily mastery results in order to differentiate support.</p> <p>Strategy's Expected Result/Impact: Differentiated support for teachers & improved instruction for students</p> <p>Staff Responsible for Monitoring: Admin & Leadership Team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3 - School Processes & Programs 2</p>	Formative			Summative

Performance Objective 16 Problem Statements:

Demographics
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p>
<p>Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
Student Learning
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p>
<p>Problem Statement 2: Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels. Root Cause: Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.</p>
<p>Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
School Processes & Programs
<p>Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. Root Cause: Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.</p>
<p>Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. Root Cause: Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.</p>

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 17: The percentage of 6th -grade students who score Meets Grade Level Performance or above on the Math STAAR assessment will increase from 30% to 35% by 2026 (cohort).

Evaluation Data Sources: STAAR

Strategy 1 Details	Reviews			
<p>Strategy 1: The Math MCL will support sixth grade math teacher using coaching and feedback cycles from Teach Like a Champion and Get Better Faster rubrics while creating action steps to improve classroom management, student engagement, checking for understanding from all students, and Tier I instruction.</p> <p>Strategy's Expected Result/Impact: Teachers will be provided with research based action steps to help meet student needs and improve their instructional delivery.</p> <p>Staff Responsible for Monitoring: Leadership Team & administrators</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 3 - School Processes & Programs 1, 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: Sixth grade teacher will use CFUs, summative, and formative assessments to determine gaps in student content knowledge and determine the most effective reteaching strategies.</p> <p>Strategy's Expected Result/Impact: Fill in content gaps during small group instruction and intervention/enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, MCLs</p> <p>Problem Statements: Demographics 1 - Student Learning 1, 2 - School Processes & Programs 2</p>	Formative			Summative
	Nov	Feb	Apr	June

Strategy 3 Details	Reviews			
<p>Strategy 3: Math MCL will teach our sixth grade Math teacher our PLC Instructional Process (TLAC) and DDI process (Relay) with lesson internalization, planning, assessment, lesson delivery & practice, analysis of student work & data, checking for understanding and reteaching.</p> <p>Strategy's Expected Result/Impact: Math teachers will internalize lessons, provide on grade level Tier I instruction, provide differentiation at the small group table to meet the needs of all students, assess students to determine mastery of the content, delivery engaging lessons, address the gaps in content knowledge of their students, and how to provide additional reteach and/or enrichment.</p> <p>Staff Responsible for Monitoring: Administrators, Leadership Team</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3 - School Processes & Programs 1</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 4 Details	Reviews			
<p>Strategy 4: Students will attend Saturday sessions in the Spring and after school tutoring to receive targeted support for Math.</p> <p>Strategy's Expected Result/Impact: Increase the percentage of students that meet or exceed their STAAR performance level for Math.</p> <p>Problem Statements: Demographics 1, 2 - Student Learning 1, 2, 3</p>	Formative			Summative
	Nov	Feb	Apr	June
<p style="text-align: center;">  No Progress  Accomplished  Continue/Modify  Discontinue </p>				

Performance Objective 17 Problem Statements:

Demographics
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 2: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>
Student Learning
<p>Problem Statement 1: Teachers do not consistently check for understanding for all students during whole group instruction. Root Cause: Lack of a true understanding for the reasoning and meaning of checking for understanding while providing instruction to help determine content gaps.</p> <p>Problem Statement 2: Scharbauer ES has low proficiency percentages for our Meets and Masters across all content areas and all grade levels. Root Cause: Lack of Tier I instruction maintaining the rigor of the grade level standards during whole group instruction.</p> <p>Problem Statement 3: Teachers do not consistently provide enrichment for students that are on grade level or above. Root Cause: Lack of resources and training for teachers to provide enrichment for students on or above grade level.</p>

School Processes & Programs

Problem Statement 1: All teachers do not understanding of all of the components of a true Professional Learning. **Root Cause:** Lack of sufficient training and coaching for teachers that delves deep into the different components of the PLC process.

Problem Statement 2: New teachers are not being provided with sufficient training, coaching, and the appropriate tools to be highly successful. **Root Cause:** Lack of professional development, modeling, and coaching on the essential skills necessary to be successful.

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 18: The attendance rate for Scharbauer Elem will increase from 93% to 95% by 2026.

Strategy 1 Details	Reviews			
<p>Strategy 1: Scharbauer ES will track and monitor (using a bulletin board in the main hallway) campus attendance and provide intervention plans & incentives (six weeks parties, boogie down in the hallway, drawings for prizes) for attendance. Strategy's Expected Result/Impact: Students will be motivated to attend school to participate in the fun activities. Parents will be encouraged to bring their students to school or call if, as needed, to get their absences excused. Staff Responsible for Monitoring: Admin, Counselors, Teachers, Clerk Problem Statements: Demographics 3 - School Processes & Programs 3</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 2 Details	Reviews			
<p>Strategy 2: Scharbauer ES will complete home visits of students that miss 3 or more consecutive days without any direct contact with the school to ensure student safety & parental understanding of the attendance laws and requirements. Strategy's Expected Result/Impact: Check to ensure that students are safe & to help parents understand the importance of attendance in school Staff Responsible for Monitoring: Admin, Clerk, Counselor Problem Statements: Demographics 3 - School Processes & Programs 3 - Perceptions 2</p>	Formative			Summative
	Nov	Feb	Apr	June
Strategy 3 Details	Reviews			
<p>Strategy 3: Scharbauer ES will utilize our principal fellow, counselor, and assistant principal to help with communication and attendance interventions and supports for students and their families. Strategy's Expected Result/Impact: Parents will be offered support. Students will be incentivized to attend school. Staff Responsible for Monitoring: Admin Problem Statements: Demographics 3 - School Processes & Programs 3 - Perceptions 2</p>	Formative			Summative
	Nov	Feb	Apr	June
<p style="text-align: center;">  No Progress  Accomplished  Continue/Modify  Discontinue </p>				

Performance Objective 18 Problem Statements:

Demographics

Problem Statement 3: Scharbauer ES had an attendance rate of 92.88%. This falls below the district expectations of 95%. **Root Cause:** Scharbauer ES has a high student population without personal transportation.

School Processes & Programs

Problem Statement 3: Scharbauer ES had an attendance rate of 92.88%. This falls below the district expectations of 95%. **Root Cause:** Scharbauer ES has a high student population without personal transportation.

Perceptions

Problem Statement 2: Scharbauer ES has low parent engagement and volunteering. **Root Cause:** Lack of transportation for many of our families within our school community.

Goal 1: Board Goal A: All students, and Dyslexia students, performing at or above grade level on STAAR assessments from third grade through graduation or on equivalent end-of-year assessment in grades pre-kindergarten through second grade in accordance BQ(LOCAL). Student data shall be disaggregated as required by state or federal law.

Performance Objective 19: The percentage of Dyslexia students who score meets grade level performance or above for ELAR will increase from % to % by 2026.

Evaluation Data Sources: On Data Suites, STAAR, iReady, mCLASS

Strategy 1 Details	Reviews			
<p>Strategy 1: All dyslexia students will participate in our Take Flight Program that will develop reading fluency and comprehension.</p> <p>Strategy's Expected Result/Impact: Increased performance on ELAR assessments and classwork</p> <p>Staff Responsible for Monitoring: Admin</p> <p>Problem Statements: Demographics 1 - Student Learning 1, 2 - School Processes & Programs 2</p>	Formative			Summative
