

10/10/25

## Dear Wyoming Families,

It has been an exciting and engaging week here at Wyoming High School. Our students have had wonderful opportunities to extend their learning beyond the classroom, including exploring psychology at the University of Cincinnati and gaining real-world insights during a visit to CVG Airport. Many also connected with community members during our Breakfast of Champions, where we celebrated the positive impact of the Dr. Dan Jones Family Champions Center on our students and school community.

At the same time, our students continue to stay focused and committed as we enter the homestretch of the first quarter. They are balancing academics with extracurricular activities and special moments such as recent senior nights in our fall athletic programs. With only five academic days remaining before the quarter ends next Friday, October 17th, we encourage families to help students finish strong by keeping open lines of communication with teachers and maintaining momentum in the days ahead.

Thank you for your continued partnership and support. You make all the difference in helping our students achieve their goals. Thank you for all you do to help WHS be as successful as possible. We wish everyone a wonderful weekend!

*Mrs. Meador's AP Psychology students had an exciting opportunity this week to visit the University of Cincinnati, where they observed a college-level class and experienced what studying psychology looks like at the next level. It was an enriching experience for our students and a wonderful opportunity to strengthen a growing partnership with UC.*

*On Thursday, we hosted a Breakfast of Champions: Then and Now to celebrate the fifth anniversary of the Dr. Dan Jones Family Champions Center! We're so grateful to everyone who has contributed to its success and to the tremendous impact it continues to have on our students and community. A special thank-you to the Wyoming School Foundation for your partnership in coordinating this wonderful event!*

Our new College and Career Counselor, Kim Lewis, recently partnered with the CVG Airport Authority. Together, they coordinated a field trip for our students to experience firsthand what it would be like to work at our very own airport. Our students were very excited to explore the variety of career opportunities offered at CVG along with how to build strong resumes that help to set them apart from other candidates, regardless of what path they choose after graduating from Wyoming High School!

### **Parent/Guardian-Teacher Conferences:**

Conferences will be held at WHS on Thursday, November 6th. Be on the lookout for a stand alone communication, next Thursday (10/16), with more details and specific information about how to sign up. Thank you and we are looking forward to connecting with families in support of our students!

## **Yearbook Information:**

If you ordered a yearbook last year for the 2024-2025 school year, they will be delivered between November 9th-14th. If you were unable to place a pre-order, no worries, extra copies have been ordered.

For your one-stop shop with everything pertaining to yearbooks, please use this link, [Yearbook 2025/2026 information slides](#), to find out more information. Thank you!

## **Apply Now for Free and Reduced School Meals**

Free and reduced meal applications are available online in the [Payschools Parent Portal](#). Additionally, paper applications are available in the school front offices. A new application is required each school year to determine eligibility for free or reduced meals; there is only a 30-day grace period from last school year's approval.

**Instructional Fee Waiver:** Prior to electronically signing and submitting the online application, please make sure to "check" the boxes in the disclosure section if you are also requesting an instructional fee waiver. This is an important step, as fees will not be waived without this authorization.

For families who are directly certified for free or reduced meals due to their eligibility through SNAP, TANF or Medicaid, you will receive a Direct Certification Notification from our Nutrition Services Partner, Milford Exempted Village Schools.

Please note that action is required - you must sign and return the Fee Waiver Permission on the bottom of that form - in order for instructional fees to be waived.

**For questions or assistance, please contact Milford Nutrition Services at 513-576-2290 or [foodservices@milfordschools.org](mailto:foodservices@milfordschools.org).**

## **School Pictures:**

School pictures are ready! To order, log in to your account on [mylifetouch.com](http://mylifetouch.com) or create an account using your student's student ID number. All families can also log on and order a FREE Digital SmileSafe card. More about the Smilesafe program [here](#).
