

WMS COWBOY CONNECTION

WMS Families,

Thanks for a great week! Next week marks the final week of the first quarter. Students will be wrapping up assignments and projects throughout the week, so now is a great time to check your child's grades and talk with them about their progress and achievements.

I hope everyone has a wonderful weekend!

6th Grade Camp Kern Information

Dear 6th Grade Families, we are excited for our annual 6th Grade Camp Kern Field Trip! Today in Homeroom students received a paper copy of the permission slip to be signed and returned to school. The packet contains QR codes that can be scanned to access forms that need to be completed prior to attending Camp. [Please click here](#) to access an electronic version which contains the links as well. Our dates for Camp Kern this school year are November 6 and 7.

Terrace Metrics Student Survey

Dr. Gina Kirchner recently sent a message to WMS families regarding the Terrace Metrics Student Survey. We plan to administer the survey on Monday, October 13. If you would like more information, or if you prefer to opt your child out of the survey, please see Dr. Kirchner's message linked below.

Lost & Found

We have collected a wide variety of lost and found items since the beginning of the school year. If your child is missing a hoodie, jacket, water bottle, or lunch bag, please have them check our Lost & Found. At the end of each quarter, any unclaimed items are donated to a local charity.

8th Grade Chicago Parent Meeting

Thank you to all of our 8th Grade parents who attended our meeting on Tuesday evening. If you could not make it, or need a digital version of the info it is accessible in links below.

Laptop Reminder

Please remind students to fully charge their laptops each evening and bring them to school every day. Coming prepared with a charged device helps ensure they are ready to learn and can fully participate in class activities. Thank you for your support!
