October 10, 2025

Dear Wyoming Primary Families,

We have lots of important information to share with you this week! The construction team is making daily progress on the demolition of the old Hilltop building. As bittersweet as it is to say goodbye to a beloved space we look forward to creating new memories in new spaces. Bricks are expected to continue to be available over the next few days near the Oliver Road construction gate. The contractor is placing bricks in the grass just to the left of the gate as they become available. Due to safety concerns, do not enter the construction fence at any time.

Special Events

Details about our Halloween parties and parades went home in the Thursday folders this week as well as a flyer for Family Math Night. We hope you can join us for an evening full of fun math games that you can do with your children.

Reports

MAP scores will be available for viewing in ABRE on October 17th. A more detailed MAP score report will be sent home with report cards October 23rd in Thursday folders.

Testing

3rd Grade OST testing is coming up in 2 weeks! Wednesday and Thursday, October 22 and 23, our third graders will participate in OST testing in the morning. Please be sure your child is well-rested, well-fed and at school on time.

Conferences

Parent-teacher conferences will occur 8:00 a.m.-3:00 p.m. Monday, November 3, 2025. We will be using SignUp Genius to schedule meetings. An email with links to your child's teacher's schedule will be sent out in the afternoon on Friday, October 17th. If you have any questions or cannot meet at an allotted time please reach out to your child's classroom teacher.

Have a great weekend!

Warmly,

Jenn Earhart
WPS Principal
