Explorer Day

This year our 5th grade students have been given the honor of reciting the Gettysburg Address at the all school Veterans Day assembly. We are excited to share and would love to have your join us!

5th Grade Update

It was such a joy getting to meet and talk with so many of you during conferences! We truly value the time to connect and celebrate your students' growth so far this year.

Our classes have started the school year off wonderfully - full of enthusiasm, hard work, and kindness. We are so proud of the effort they are putting into learning each day.

We hope your family enjoys a fun, restful, and beautiful Fall Break! We'll be excited to see everyone back, ready to jump into more great learning when we return!

**Explorer Day
November 21st.**

To better align with our writing unit on explorers - and to give students the opportunity to **dress like their explorer and share a short speech** —we have moved **Explorer Day to November 21st.**

Any families who have already purchased explorer costumes are welcome to use those for Explorer Day, even if they don't match their assigned explorer. We're excited to see our students bring history
