October 2025

Dear Ocean Township School District Families,

This fall, students at Ocean Township Schools will take part in the New Jersey Student Learning Assessment – Adaptive (NJSLA-Adaptive) Field Test and/or the New Jersey Graduation Proficiency Assessment – Adaptive (NJGPA-Adaptive) Field Test. These field tests are being administered by the New Jersey Department of Education (NJDOE) as part of its efforts to improve the state’s assessment system.

What is the NJSLA-Adaptive/NJGPA-Adaptive Field Test?

The field test is a **non-graded, trial version** of future state assessments designed to measure the effectiveness of new computer-adaptive technology. A computer-adaptive test adjusts the difficulty of questions based on student responses, creating a more personalized testing experience. This approach provides more precise information about students’ skills and understanding.

Please note that results from the field test will not be shared with school district staff or families.

Ocean Township High School will administer the field tests on the following dates:

Nov. 12-13, 2025	9, 10 11	NJSLA Adaptive (field test)--Math and ELA NJGPA Math Adaptive and NJGPA Adaptive (field test)
Nov. 12	12	NJSLA Math Adaptive (field test) (ONLY Grade 12 who took Alg. 1, Geo., or Alg. 2 last year) 13th is 2 hour delay for grade 12 only

How You Can Support Your Child

You can help your child feel prepared by:

- Making sure they get a good night’s sleep before each test day
- Ensuring they arrive on time, in uniform, with a fully charged Chromebook
