- Gifted and Talented.....9.0%

Instructionally, our talented staff works tirelessly to provide support to students at their instructional levels. Through continuous improvement and systematic data analysis, we are able to identify student needs and provide enrichment support.

Other Facts

Perryville Elementary is a School-wide Title I school. We receive additional federal funding to support students who have not yet met proficiency in reading or math. Throughout the year, we analyze student performance data, attendance data, behavioral data, and parent and teacher surveys to ensure that all students are receiving appropriate support. This support comes in the form of direct instruction, professional development, data analysis, intervention programs, behavioral and attendance programs, and family engagement opportunities. We are grateful for this support to impact students success.

Perryville Elementary School ~

Learning Today, Leading Tomorrow
