

INTERESTED IN TAKING A CLASS OUTSIDE OF PUHSD?

Students who would like to take a course outside of PUHSD must receive prior approval **BEFORE** registering for a class via the Alternative Credits Permission Form:

bit.ly/PUHSDAlternativeCreditsRequestForm

PUHSD Board Policy AR 6146.11 provides the following guidelines for non-district courses and credits:

- Maximum of 10 credits per year, 40 credits total, from an outside institution
- Students may request original credit for acceleration in the areas of VAPA, year 2 of PE, and electives from a designated educational institution, college, or university: **List of Accepted Schools**. Incoming 9th-grade students may request to take a VAPA class only.
- Students must remain in full-time status at PUHSD

Please Note:

- Students taking a college course on a PUHSD campus do not need to submit the Alternative Credits Permission form
- A student's request for credits may be denied if the course can be taken through PUHSD
- Courses will be weighted based on **AR 5127** for Valedictorian and Salutatorian calculations
- PUHSD does not guarantee that outside courses will be accepted by colleges and universities

**PLEASE SEE YOUR SCHOOL SITE COUNSELOR
