

Exam Results 2025

Prior Park is deliberately not an exam factory, we're a truly holistic school. Our thriving contingent of exam specialists get the top GCSE and A-Level grades each year, but our community also includes elite sportspeople, talented artists and musicians, creative powerhouses and more.

That said, our students regularly produce grades which compare extremely well with highly selective schools and, more importantly, our 'value-added' (students achievement relative to their ability) is amongst the best in the UK.

Once again this year, students at Prior Park did themselves proud, netting excellent A-Level results with 36% of all grades awarded at the highest possible A or A* level, and students at all levels significantly outperforming predictions based on their ability.

A-Level Results	
A*-A grade	36%
A*-B grade	63%
A*-C grade	85%
A*-D grade	94%
A*-E grade	99%

At GCSE, our students did equally brilliantly. On average, students added another few percentage points to last year's already-strong performance, with more than half of all grades awarded at the top 9-7 levels. 'Value-added' here is also projected to be exceptional, with more than a third of students achieving a whole grade or more above their ability across all their subjects.

GCSE Results	
9-7 grade	52%
9-4 grade	94%
