**Course Description:** In this course, students will learn the foundational skills for reading and writing. They will learn to form the upper and lowercase letters of the alphabet using proper formation techniques. Students will associate sounds with those letters in order to read age-appropriate materials accurately and fluently. Students will further apply those letter-sound relationships in order to communicate through writing. Students will begin to develop comprehension of the writing of others by reading, listening, and thinking. Please see below for a concise outline of the course.
