

Manor Monthly

Seaford Manor Elementary School

Principal's Message

Fall has officially arrived!

This month, we're looking forward to many of our traditional Manor events that make this time of year so special. In addition, we're excited to continue our Parent University series, which will be paired with each PTA meeting. These sessions provide families with valuable learning opportunities and open conversations about ways we can continue to strengthen our Manor community and support our students together.

Please look out for upcoming details on ParentSquare!

With Seaford Pride,
Mrs. Krudis & Mr. Schwartz
