

2024
2025

ANNUAL REPORT

The Annual Report celebrates the commitment of **over 2,000 donors** who contributed to SCH this year and whose philanthropy helps to shape the School and further its mission. Thank you for giving back to SCH!

GIVING HIGHLIGHTS

- The SCH Fund surpassed its goal of \$2,400,000. We raised **\$2,753,734**.
- Game Changers golf outing and dinner raised more than **\$350,000**.
- **350+** SCH community members attended the *Vegas Vibes* Parents Association fundraiser and funded new seating in the Thornley auditorium.
- More than **300** alumni attended the 2025 reunion weekend and raised over **\$460,000** for the school.
- Over **250** SCH community members and friends volunteered at the Truist Championship PGA tournament and raised more than **\$86,000** for athletic teams and SCH clubs.

Writers and more!

Stats as of June 2025

Dear SCH Community,

At Springside Chestnut Hill Academy, we don't stand still. The 2024–2025 school year was a powerful reminder of what's possible when a community is united by purpose and driven by possibility.

This year, we not only celebrated meaningful progress across every division, we also prepared for the return of a familiar and trusted leader, Dr. Steve Druggan, who served as head of school from 2016 to 2021. His deep knowledge of our community, coupled with his global perspective and bold vision, comes at a pivotal moment for our school.

We have set in motion a shared vision that is both ambitious and clear for the new academic year. The work ahead is exciting: advancing vigorous academics, expanding innovation, deepening belonging, amplifying the SCH story, and investing in what matters most—our people and our programs.

This report highlights the impact of your support through June 2025. It shows what happens when generosity meets strategy, when tradition meets forward-thinking, and when a school community commits to effecting positive change. From breakthrough moments in the classroom to milestones on the stage, fields, campus, and beyond, SCH continues to redefine excellence in ways that matter.

As chair of the Board of Trustees, I have the privilege of witnessing how our collective efforts take shape. I also see how vital your involvement is: every gift, every show of support, every belief in our students and faculty moves us closer to our goals.

Thank you for being part of this journey. With a renewed sense of leadership and a powerful vision for the future, SCH is poised for extraordinary things.

With deep appreciation,

Patrick Lindsay
Chair, SCH Board of Trustees

"Four generations of our family have benefited from an education from Springside and CHA. Now there is a fifth generation at SCH, which speaks volumes about the school's longevity and the positive impact it has had on the Sheppard-Pearson-Boothby-Bickford family. We are proud to share that our families have supported the annual fund and other projects throughout these years.

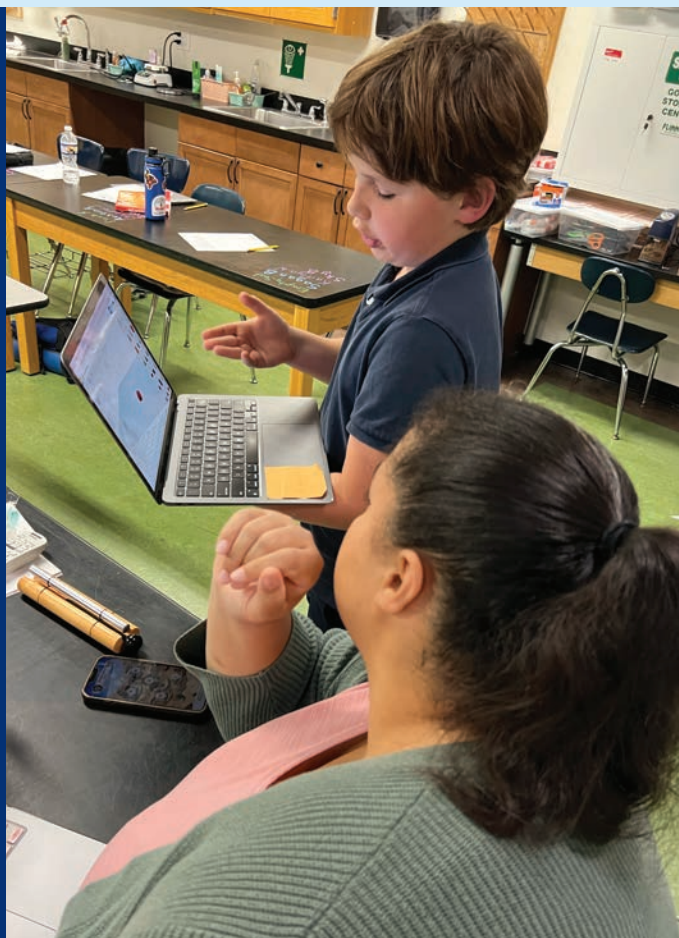

—Melen Boothby Sheppard '68 and Dick '66 Boothby P'00, P'02, P'07, GP'38, GP'39

ERIC JOHNSON '77

Eric Johnson '77 traces his passion for innovation back to his days at Chestnut Hill Academy, where access to the school's first programmable calculators and computers in Middle School sparked a lifelong interest in technology.

Now a leader in his field, Johnson is giving back to ensure future SCH students have similar opportunities to explore and innovate. His generous gift is already making a difference, with the Engineering and Robotics Department set to acquire a Qualisys Motion Capture Camera System to support student work in prosthetics modeling. The funding will expand SCH's technology and innovation programs, empowering students to engage in advanced computing, artificial intelligence, robotics, and design thinking.

"CHA played a pivotal role in my development, and I want today's SCH students, and those who come after them, to have access to the best possible technology and resources," says Johnson, who hopes his philanthropy will inspire fellow alumni, affirming the lasting influence of early educational experiences.

Mission Statement

We are an inclusive community on a mission to inspire unbounded curiosity and independent thought in every one of our students. In a unique educational environment that extends well beyond campus, we nurture students' knowledge of themselves and the world, expanding their full academic and personal potential while preparing them to lead lives characterized by thoughtfulness, integrity, and a quest to effect positive change.

Diversity at SCH

Diversity is a condition of excellence. Embracing a diverse, inclusive community is fundamental to providing the most rigorous, globally competitive education. At SCH, we aim to engage, understand, and celebrate the broad range of human experiences and perspectives. Through our curriculum, professional development, community-centered events, and daily interactions, we are committed to cultivating empathy and inclusion and to nurturing the authentic expression of every individual.

DONOR LISTS

The Wissahickon Society

The Wissahickon Leadership Society recognizes individuals and organizations that make leadership contributions of \$1,861 or more annually. Members of The Wissahickon Society are essential partners with SCH's dedicated faculty, staff, and administration and share a passion and vision for providing 21st-century education to our students. Associate members of the Society are young alumni (within 15 years of graduation) with a gift between \$250-\$1,861 annually. We would like to sincerely thank the following donors who have generously supported the School and make up the 2024-2025 Wissahickon Society.

"Supporting SCH monthly is my way of saying thank you to the faculty, staff, and alumni who have left an indelible and positive mark on my life. SCH is a special place, and I never take that for granted. Excellent schools become exceptional schools when they have the financial resources to grow. Making a recurring gift is a simple but powerful way to sustain excellence and express gratitude. I remain forever grateful for the education I received, to the alumni who fostered a culture of philanthropy as well as community, and for the school I still proudly call home."

BARBARA MITTNACHT DALY '78

LOYAL ALUMNA, TRAILBLAZER, AND GRATEFUL STEWARD

For Barbara Mittnacht Daly '78, the values instilled at Springside—intellectual curiosity, enduring friendships, and a spirit of generosity—have remained steady guides throughout her life. A proud alumna, Daly shares a deep connection to the legacy schools: her mother and sister also attended Springside, and her two brothers were graduates of Chestnut Hill Academy, making SCH Academy a true family affair.

Daly often reflects on the strength of the education she and her family received, as well as the meaningful relationships she formed during her years at Springside. Today, that gratitude fuels her desire to make that experience available to a diverse student body, opening up opportunities they may not have had otherwise.

As the first female president of The Philadelphia Cricket Club, Daly broke new ground while serving with vision for four years, with respect for the past and hope for the future. Reflecting on her leadership, she did so with dignity and pride—her legacy of leadership and service will shine on.

Daly finds strength and solace in nature, community, and purpose. Her support of SCH reflects the deep gratitude she feels for a place that helped shape her, and her example of perseverance and service continues to inspire.

For Daly, life has come full circle. Supporting the school through planned giving by being a member of the Heritage Society is her way of honoring the investment SCH Academy made in her family—a legacy of opportunity, character, and care. Her gift ensures that future generations of students will benefit from the same transformative experience that shaped her own path. In giving back, Daly affirms the enduring promise of SCH and the lifelong bond between a school and its alumni.

Educational Improvement Tax Credit Program (EITC) & Opportunity Scholarship Tax Credit Program (OSTC)

The Pennsylvania Educational Improvement Tax Credit (EITC) and Opportunity Scholarship Tax Credit (OSTC) programs enable Pennsylvania taxpayers and business owners to support independent schools like SCH by redirecting their tax dollars. This year, our community contributed over \$1.6 million in tuition assistance through these programs.

"We choose to support SCH through the EITC program. It is a great way to support students while also leveraging your charitable dollars. For example, if you normally contribute \$1,000 to SCH, you can donate \$10,000 through the EITC program and receive a \$9,000 PA Income Tax Credit. Therefore, your \$1,000 donation gives SCH a \$10,000 benefit. Once you do it, you will see how rewarding the impact is, for the students, and also for the donor. It's a meaningful contribution that you'll want to continue year after year, like we did."

"As a parent and Parents Association president, I choose to give to SCH because I see firsthand the incredible impact this community has on our children. Supporting SCH is my way of saying thank you—for the dedicated teachers, the lasting friendships, and the community that truly cares."

— Yolanda Banks P'26,
 President, Parents Association

Thank you, sponsors!

Game Changers Invitational

On October 14, 2024, SCH's Game Changers Invitational at Sunnybrook Golf Club raised over \$350,000 for the Wissahickon Scholar-Athlete Fund, which supports a deserving First Tee Game Changer. The scholarship will provide the recipient with a transformative educational opportunity at SCH beginning this fall.

"I saw firsthand how an SCH education empowered our girls. I'm proud to be a part of this game-changing opportunity," said Jean Fitzpatrick P'05, P'09, GP'35, GP'37, Game Changers chair.

Through the First Tee program, athletes learn lifelong skills, from managing emotions to planning for the future. Students who have developed these skills at First Tee will be a transformational addition to the SCH Academy community.

The scholarship is supported by ongoing community engagement, including SCH student volunteerism and program participation at First Tee's Walnut Lane facility, to help build awareness of both organizations and their aligned missions, encourage relationship building among SCH and First Tee scholar-athletes, and foster an inclusive and supportive environment for incoming scholarship recipients.

Horizons at SCH offers a high-quality, hands-on learning experience outside of the traditional school year to support academic achievement and healthy youth development. Now in its fifth year, the program serves over 75 rising 1st through 5th-grade students. Horizons students experience a full day of learning opportunities, including literacy, math, STEM, and enrichment activities such as field trips, hiking, and instructional swimming. Students also receive breakfast, lunch, and snacks at no cost.

ROOTED IN FRIENDSHIP, GROWING IN LEGACY: THE CLASS OF 1975 CELEBRATES ITS 50TH REUNION

The Springside and CHA Class of 1975's 50th reunion was a heartfelt celebration that evolved into a powerful expression of connection and love.

"What we experienced together is a rare gift," reflected alumnus Rob Banse. "Half a century has passed, and yet the love, humor, and grace of this class remain as vibrant as ever. We are bound by something that time cannot diminish."

The weekend was filled with joyful reconnections and meaningful moments. Highlights included a private tour of the soon-to-open Calder Gardens, a class dinner in the Wissahickon Inn, and a lively all-alumni dinner dance. For classmates like Victoria Mason-Ailey and Patty McGill Billock, the occasion was made even more special by family milestones, as their daughters returned to campus to celebrate their 10th reunion, creating a multigenerational celebration.

In honor of their 50th, the class established The Rec Legacy Fund, a significant endowed gift to ensure the preservation and restoration of The Rec—a beloved part of campus. This guarantees that future generations will enjoy a facility that nurtures their talent.

Inspired by memorial benches across campus, Leslie Blankin Lane, Springside class president, introduced the idea of a bench honoring deceased classmates. This quickly expanded into a dedicated Class of 1975 Garden Room, featuring memorial benches and plantings as part of *The Campaign for the Commons*.

This tranquil space will serve as a symbol of the enduring friendships and vibrant spirit of the class. Members will return to campus for Homecoming 2025 to dedicate the Garden Room. As Banse said, "May they rest in peace and rise in glory, and may their memory be a blessing to us all."

The Rec Legacy Fund: A Lasting Gift from the Class of 1975

In honor of their 50th reunion, the Springside and CHA Class of 1975 established The Rec Legacy Fund—a lasting commitment to one of SCH's most iconic spaces.

The fund supports the preservation, maintenance, ongoing restoration, and improvement of The Rec, a historic and integral structure on campus. Beloved by generations of students, The Rec has long been a home for creativity, collaboration, and performance.

The *Restore The Rec* Campaign Chair Caroline King shares, "through this fund, the Class of 1975 ensures that The Rec will continue to be a creative, welcoming, and inspiring home for current and future Players, just as it has been for decades."

As Vicki McNeil Le Vine '75 shared, "The Rec holds so many of our memories—performances, rehearsals, and friendships that shaped who we are. This fund ensures that future students will have the same opportunities in a space that reflects their talent and passion."

Tribute Gifts

Springside Chestnut Hill Academy is grateful to the following donors, who made contributions to the school in memory of a special person in the fiscal year 2025.

During the 2024-2025 school year, our community came together to honor two beloved leaders whose impact on SCH spans generations. Supporting the Campaign for the Commons, donors named the Betty Ann "BA" Fish H'02 Field behind the Vare Field House in recognition of the PE teacher's 37 years of teaching, coaching, and leadership. To honor Ed Aversa H'15, funds were raised to name the new team room in the Commons, celebrating his remarkable ability to make every student feel valued.
