Mr. Nicholas Ponesse, School Counselor
Ms. Julie Sekelsky, School Counselor
Ms. Serena Sze, School Counselor

COMMUNITY, SCHOOL & MISSION

Warwick, New York, located 55 miles northwest of New York City, is a residential rural community with a population of about 30,000.

Spanning 104 square miles, the town of Warwick's boundaries include the villages of Florida, Greenwood Lake and Warwick. Recognized for its rural charm, Warwick also has a vibrant arts community. Its close proximity to New York City allows residents to take advantage of many cultural opportunities.

With an enrollment of more than 1,300 students in grades 9-12, WVHS offers 14 Advanced Placement (AP) courses in 5 disciplines and college classes through SUNY Orange, Mount Saint Mary College, and SUNY Albany, as well as Project Lead The Way (PLTW), Senior Project, and CTE courses in Cosmetology, Criminal Justice and Video Production.

WVHS operates on a rotating block schedule, allowing for more in-depth, sustained and engaging learning experiences for students. Classes are 55 minutes in length. Students and staff have a common lunch period, during which many students attend club and/or extra-curricular meetings.

The mission of the Warwick Valley Central School District Board of Education is to provide all students with the necessary skills to thrive as learners, workers and citizens.

The educational goal of WVHS is to prepare students for the world they are entering, with a curriculum that strengthens the skills as outlined in our Portrait of a Graduate: collaboration, communication, creativity and innovation, resilience, problem solving and creating an ethical and global citizen who is a life-long learner.

GRADUATION REQUIREMENTS

Advanced Regents Diploma

English	4.0 credit(s)
Social Studies	4.0 credit(s)
Mathematics	3.0 credit(s)
Science	3.0 credit(s)
Foreign Language*	3.0 credit(s)
Health	0.5 credit(s)
Art or Music	1.0 credit(s)
Physical Education	2.0 credit(s)
Electives	1.5 credit(s)

TOTAL **22.0 credits**

Local / Regents Diploma

English	4.0 credit(s)
Social Studies	4.0 credit(s)
Mathematics	3.0 credit(s)
Science	3.0 credit(s)
Foreign Language	1.0 credit(s)
Health	0.5 credit(s)
Art or Music	1.0 credit(s)
Physical Education	2.0 credit(s)
Electives	3.5 credit(s)

TOTAL **22.0 credits**

In addition to passing these courses, students must pass five state exams in math, science, global history, United States history, and English. Additional state exams in math, science and foreign language must be passed in order to earn an Advanced Regents Diploma.

*Students may replace the three-credit foreign language requirement with five credits of occupational education, art or music.

**Students are required to complete 20 hours of community service.

GPA, CLASS RANK & GRADING SYSTEM

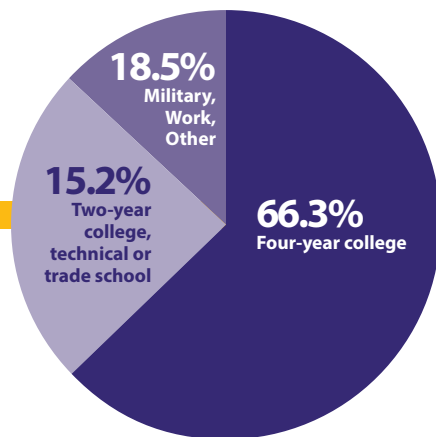

- Passing grade is 65.
- Final grades as they appear on the transcript are unweighted. (Final grades are weighted for the purpose of class rank only.)
- All courses receive a numerical grade and are considered for class rank.
- High school courses taken in Grade 8 are recorded on the high school transcript and carry credit toward graduation.
- All students are included in our ranking system unless they are graduating earlier than their cohort or moved into the district during their senior year.
- Our weighting method is as follows :
 - Advanced Placement (AP) courses ~ x 1.10
 - Honors (H) courses ~ x 1.07

*Denotes honors.

CLASS OF 2025 STATISTICS

317 Graduates

- 66.3% Plan to attend four year college
- 15.2% Plan to attend 2 year college, technical or trade school
- 18.5% Plan to join military service, workforce or other, or take a gap year

SAT & ACT RESULTS

SAT RESULTS: ERW 580 | MATH 551

ACT RESULTS: COMPOSITE 23.6

CLASS OF 2025

AP SCHOLARS: 69 [38 w/honors; 52 w/distinction]

NATIONAL SEMIFINALIST: 1

SUNY Orange: Calculus, College Algebra, College Trigonometry, Mandarin Chinese 4 & 5, Freshman English 1 & 2, Intro to CAD 1 & 2, Intro to Engineering Design

Mount Saint Mary College: College Statistics, Intro to Business, College Pre-Calc

Senior Project

Senior Project is a challenging, student-driven/teacher-guided national program. Students choose an individual project to work on for the duration of their senior year as a "learning stretch." Senior Project encourages students to incorporate hands-on learning in a real world environment. A required college-level research paper expands a student's knowledge base, and at the end of the program, students present a comprehensive portfolio chronicling their progress to a panel of judges.

Project Lead The Way (PLTW)

The Project Lead The Way (PLTW) program of exceptional curriculum and high-quality teacher professional development, combined with an engaged network of educators and corporate and community partners, helps students develop the skills necessary to succeed in a global economy. PLTW courses offered at Warwick Valley High School for 2024-25 include Principles of Biomedical Science, Human Body Systems, Medical Interventions, Introduction to Computer Science, and Cybersecurity.

Career & Technical Education (CTE)

CTE programs are available in Cosmetology, Criminal Justice, and Video Production.
