How Your Vision Care Program Works

Eligible members and dependents are entitled to receive a vision examination and one (1) pair of lenses and a frame or contact lenses and contact lens evaluation/fitting once every Calendar Year.

For your convenience, at the start of the program, you will receive two identification cards with participating providers in your zip code area listed on the back. At the time of your appointment, simply present your NVA identification card to the provider or indicate that your benefit is administered by NVA. The provider will contact NVA to verify eligibility. A vision claim form is not required at an NVA participating provider.

Be sure to inform the provider of your medical history and any prescription or over-the-counter (OTC) medications you may be taking.

To verify your benefit eligibility prior to calling or visiting your eye care professional, please visit our website at www.e-nva.com or download our mobile app by searching NVA Vision or contact NVA's Customer Service Department toll-free at 1.800.672.7723, TTY: 711 or NVA's Interactive Voice Response (IVR). Customer Service is available 24 hours a day, 7 days a week, 365 days a year. Any question any time.

If you are not a registered subscriber, you can still search our providers online by selecting the "Find a Provider" link on our home page. Enter group number **3466000001** or the group number on the identification card and enter in your search parameters. It's that easy!

For lens options & services purchased from a participating NVA provider, NVA members will only pay the fixed maximum amount or the provider's Usual and Customary (U&C) charge less 20%, whichever is less. Options not listed will be priced by NVA providers at 20% off the Provider's Retail (U&C) price. Fixed prices are available in-network only. Discounts are not insured benefits. In certain states, members may be required to pay the full retail amount and not the negotiated discount amount at certain participating providers. Some optometrist affiliated with Optical Retail locations (i.e., Costco, LensCrafters, Walmart, Visionworks, etc.) are independent providers and may not participate in the NVA program.

Participating providers are not contractually obligated to offer sale prices in addition to outlined coverage. Regardless of medical or optical necessity, vision benefits are not available more frequently than specified in your policy.
