MADEIRA GIRLS GOLF TEAM SWINGS TO HISTORIC SEASON 2025 CHL CHAMPIONS AND STATE RUNNER-UP

The Madeira Girls Golf Team has made school history with a dominant and record-breaking 2025 season — capturing the Cincinnati Hills League (CHL) Championship, going undefeated in regular season play (17-0), and finishing as the Division II State Runner-Up at Heatherwoode Golf Club.

The Amazons showcased incredible consistency and depth throughout the year, led by sophomore standout Ellie Hartung, who finished the season with a league-best 9-hole average of 35.9 over 243 holes played. Teammates Anica Rane (3rd – 40.5), Grace Kellett (4th – 41.5), Maggie Meyer (10th – 47.1), Brinkley Graves (11th – 47.2), and Emma Combs (15th – 50.0) rounded out one of the strongest lineups in league history.

At the CHL Preview Tournament at Reeves Golf Course, Madeira set the tone early, taking 1st place with a team score of 320, highlighted by Hartung's 2-under 68. The team went on to dominate the CHL Championship, shooting an impressive 309 and sweeping the leaderboard — Hartung (1st, 74), Kellett and Rane (T-2nd, 76), Combs (7th, 82 – personal best), and Meyer (10th, 91).

The momentum carried into the postseason as Madeira made history in back-to-back weeks:

- Sectional Champions at Reeves GC with a team score of 314 - the first in school history.
- District Champions at Pipestone GC with a 332, another program first. Hartung led the way with a 1-under 69 to capture individual medalist honors.

At the Ohio State Championship Tournament at Heatherwoode Golf Club on Monday, the Amazons finished 2nd overall in the state, shooting a one-day total of 327. The second round of the tournament was rained out on Tuesday. Ellie Hartung placed 2nd individually (71), with Anica Rane (77) and Grace Kellett (81) finishing inside the top 20.

For their outstanding play, three Amazons earned All-State honors:

- Ellie Hartung – First Team All-State
- Anica Rane – Second Team All-State
- Grace Kellett – Second Team All-State

Head Coach Catie Kauffman praised the team's unity and drive. "I have loved coaching this group of girls. They are a great group of young women who have set a new standard for Madeira Golf, not just in how they played, but in how they carried themselves. This is a group that our entire Madeira community can be proud of."
