1.0 Welcome, Roll Call, and Reading of the Minutes - The minutes for April 13, 2023 were read with changes made and approved unanimously.

2.0 New Items

2.1 Title I Parent and Family Engagement Policy - 2023/2024 school year- The preliminary results from the district wide survey shows that students are feeling overwhelmed and stressed. Those students have been identified and the counselor, safe schools professional, and student success advocate have been meeting with those students. These structures will be in place for the next school year. We will also be looking at how chronic absenteeism is affecting our MAP scores. We are disaggregating our data for students who did not meet their MAP growth goal and those who were chronically absent for 18 days or more.

2.2 Revisions to the School Improvement Plan- The school was allocated \$ 280, 440.00. The school spent \$ 223,000.00 on 3 teachers for class size reduction, \$4, 498.65 for an additional hour for the Library Aide, \$13, 200.00 for Title I after school tutoring for students who are below the 40th percentile on the MAP assessment, the website was also purchased from the Title I budget. All monies were spent in the Title I budget for the school year.

2.3 Sponsorship and Fundraising for Seacamp- Mrs. Longmore shared a slide show with the SOT on their trip to Seacamp. The students had an incredible time. Seacamp was \$25, 000.00 for 11 students and 3 chaperones to go. The transportation for the trip was about a bit over \$7,000.00. The students were able to snorkel in the Pacific Ocean, study different ocean animals/habitats, and went on hikes. The students were able to experience things they had never done before. Next year we would like to do fundraising for the fifth grade to go to Seacamp. In the meantime we are looking for fundraising opportunities.
