2.0 New Items

2.1 School Performance Plan- Roadmap to Success

Our School Performance Plan from last year was discussed and what changes we could make for this year's plan. It was discussed that Tier I instruction is not consistently meeting the rigor of the standards in K-5. All School Community outreaches must be geared toward Tier I Instruction. We did not meet our school goal last year, which was to increase the percentage of students scoring above 60% in the MAP assessment from 20% of students to 40% of students. The plan will have forthcoming changes. It will be reviewed again during our next meeting.

General Discussion

SOT Officers were chosen. Christina Bass is the Chair, Robyn Scheib is the Co-Chair, and Beth Todd is the Secretary.
