1.0 Welcome, Roll Call, and Reading of the Minutes- The minutes from February 9, 2023 were read and were approved unanimously.

2.0 New Items

2.1 SPP- We discussed the Inquiry area 3: connectedness in the School Performance Plan. The data that was used for the SPP was from the district wide survey from students, parents, and teachers. Our school's strength is that students feel safe and cared for at school. Our area for growth is to give tools and support to students who stay home because they feel overwhelmed and anxious. The Impact team has been put into place to support this area of growth. The Impact team includes two clinical therapists and a behaviorist. They are able to meet with students on campus with parent permission. The master schedule has been adjusted to allow for circles as a social emotional structure. The first 10 minutes of the day is used for this activity. Students are allowed to share and teachers are able to gauge how students are feeling that day.

2.2 Attendance- Chronic absenteeism is at 43% this year; last year we were 47.2%. Any absenteeism that is above 20% we automatically lose a star for our rating.
