

Social and Emotional Wellness and Safety Subcommittee minutes October 13, 2025

Present: Paula Beatie, Jan Sander, Jeff Hunsberger, Denise Webster, Kyle Nuse, Dylan Laflam
Absent: Carri Ferrarri

Cole called the meeting to order at 5:15pm and facilitated the elections.

Jeff and Denise discussed the role of Chair and Minute Taker.

Denise Weber was nominated by Jeff and voted in unanimously as Chair, and Kyle as the minute taker. Kyle asked if everyone was comfortable with her using an AI note-taking tool, as long as she proofreads before submitting them. Everyone agreed that was fine.

Cole left at 5:20pm.

It was affirmed that the role of this committee is for oversight and overview only.

Annual goals discussed and decided on thus far:

- Set the agenda each month well in advance so that groups can be invited
- Invite student groups to designated meetings
- Invite department heads and Principals to designated meetings
- Hear a summary of what is taking place in as many of our schools as possible to take information to the larger board and to town meetings, etc

Dylan was asked if we should review safety plans or not? He said he'd be happy to come in and go over them- but it would take the entire meeting.

A report and overview of security plans will be put on the agenda for next month from Dylan, Rene and Cole.

Denise said that Maria used to report to us, and it would be good to get different school groups to come report their data to us.

Denise will invite someone to give a different person every month to give us a report

- Principals (Paula will ask them for a report)
- GMACC
- L.E.T (Kyle)
- Student Groups

The group discussed the idea of a committee member sitting on student group meetings and reporting back should be a priority.

Meeting Adjourned at 5:50pm
