Payment: There are three options for payment. Students can pay in full, in installments, or apply for a need based scholarship.

Students who plan to pay in full or in installments MUST pay **an initial $80 fee before Dec. 1st as a show of good faith.** If students pay for all exams at once the $80 is part of that lump sum.

Students have between November 3rd and March 31st to pay their balance. Students who apply for aid will hear if they have received a full or partial scholarship in November.

Payment Options (MUST check one):

___**Pay in full**—Please make check payable to Big Sky High School

___**Installments -** Please fill out the next page and submit with your registration form

___**Need-based scholarship**—See Mrs. Helmer in rm 42 for an application for aid

Installment Plan 2025-2026

Big Sky High School understands that the more flexibility we can give to families, the stronger our program will be. Therefore, if you do not choose to pay your balance in full, and if you would like to pay your total fees in installments you have until March 31st, 2026 to make all your payments. We require a $80 down payment at the time of registration but after that you can schedule your payments as you see fit. Please remember that you are responsible for remembering your schedule of payments.

Total IB Fees DUE for 2025-2026	$
$80 down payment paid at time of registration - By Dec. 1st	$80
Remaining Total to be paid in installments	$

I understand that I am responsible for the remaining total of my IB fees and that they are due to be paid in full by March 31st, 2026. I understand that test fees are nonrefundable after January 10th, 2026. I also understand that any late or change fees incurred between November 15th, 2025 and January 10th, 2026 are my responsibility. I also understand that I will not be able to receive my high school diploma if I have any outstanding fines or fees including the IB exam fees.

Important Information:

- IB Courses show up on your transcript as such. However, for college recognition and the possibility of college credit, *you must take the IB Globally Moderated Exam* in May and complete all internal assessment work by the deadline for each course.
- We recommend researching how different colleges treat IB courses and IB exams. Taken a-la-carte, colleges are more likely to give credit for HL courses over SL courses, but remember that every school is different. Big Sky counseling and instructional staff can help you navigate this if you have further questions or concerns.
- You are eligible to take an IB Exam if you have participated in the entire IB Course and if you have or plan to complete all Internal Assessment work.
- To earn an **IB Full Diploma**, candidates must take exams in all areas that meet IB Diploma Requirements and complete the Core (EE, TOK, and CAS)
- All students will receive a log-in and password to check scores and send scores to Universities when they come out in July.
- Testing dates take place in May and can be found on the Big Sky website. ***Testing dates and times may not be changed or altered due to scheduling conflicts with sports, activities, or vacations***.

Exam costs for 2025 - 2026:

- Each exam: $125.00
- Late fees (between November 15th 2025 and January 10th 2026) are applied by the IB Organization, not Big Sky High School. Late Registration: $235. Addition/ amendment/ drop of subjects: $40 per subject.
- **There are no refunds for exam fees *after January 15th, 2026.*** If a student elects *not* to take an exam. After this date, you are expected to pay for your exam regardless if you take the exam.

Services and accommodations are available and permitted by IB for students with special needs. Please visit with the IB Diploma Program Coordinator Meleina Helmer if you have further questions about accommodations.

All questions and concerns should be directed to Ms. Meleina Helmer. Phone: 728-2400 ext. 8642 , Email: mbhelmer@mcpsmt.org
