- Opening day was a success. Former teacher Kim Smith opened the day and discussed the tradition at Metcalfe County schools.
- MCES Principal Michael Gill recently announced his retirement. He will be honored at a later date. This is year 12 for him at Metcalfe County Schools. He was the first principal of the newly merged Metcalfe County Elementary School in 2014.

Joseph Eaton – MCHS

- Lady Hornet Volleyball is having a fantastic season. They had a district win over Cumberland at home last night and will travel to Clinton County tonight. The volleyball team will compete in the State All “A” Classic in Owensboro on Friday. They were the Region 4 Champs for the first time in history.
- Congrats to volleyball player Mollie Devore for 500 career kills.
- Congrats to volleyball player Harper Hurt for 500 career digs and the Hype Sports Media Impact Player.
- Congrats to volleyball player Lily Horton, the AVCA Player of the Week for Kentucky.
- MCHS football hosts Campbellsville on Thursday this week because of the volleyball game in Owensboro. The first home game at the new stadium was this past Saturday (delayed from Friday due to weather). The opening went well despite the rain and the loss to Barren County.
- The MCHS band won 1st place in 1A and Best Overall Percussion at Franklin Simpson on Saturday. That was after practicing that morning and playing at the noon football game in the rain.
- Kruz Tucker placed 3rd in the State All “A” Classic Golf Tournament last Saturday.
- FFA students participated in the forestry judging competition today. MCHS had 42 students compete at CPC Dairy Judging Contest last week.
- FFA is holding a truck and tractor pull on Sept. 13, at 6pm.
- Addison Morgan was recently featured on the cover of Kentucky Living for the Washington tour she took part in back in the summer.
- School Picture Day is Monday, Sept. 15, at MCHS.
- MCHS is offering the ACT on Oct. 15 and the SAT on Oct. 29.

Jenny Stotts – MCMS

- Middle school students have completed all of their safety drills, learning new rules and instruction.
- Middle school students watched the SpongeBob play for free, which included board member Wes Jolly as part of the cast.
- 4-H has taken some field trips, including a forestry trip today, and last week went to CPC, where they received ribbons and improved skills.
- MCMS started i-Ready testing for reading and math.
- Congrats to Rory Bragg, a middle school softball pitcher, who achieved her 200th career strikeout.
- Fall picture day next Monday, September 15th.

Allen Trotter – DPP

- Regina Jackson, board of attorney, and Mark Linkous, insurance provider, have approved board agenda item 5B, which is a revised MOA with Barren River District Health Department.
- Agenda item 5F would allow Charlotte Roach to work with hearing-impaired students in Barren County when she is not needed by students in Metcalfe County.

Superintendent Josh Hurt: “Attendance is off to a good start, better numbers than we’ve seen since before the pandemic. The first week, we were around 96%.”

Karen Blythe – Technology

- Agenda item 5E is the District Internet Safety Policy that Randy presented to the board last month.
- Efforts are underway to get everyone set up on the new app. Most parents have had success.

Britt Young – Transportation

- Succeeding in getting everyone to school safely.
- One bus driver is in training, hopefully getting his license in a few weeks.
- There may be one transfer out; however, a replacement will fill that spot.

Donna Caffee – Finance

- No Comments

Superintendent Josh Hurt: “Agenda item 5C is a working budget. It is balanced and ready to go. Once approved, it will be sent to KDE. It is a 'working' budget, so it can be adjusted later.”

Rachel Dial – Instruction

- Things are in order inside the classrooms, and everyone is doing what they need to be doing. It is enjoyable to watch our teachers at work.

Torrie Osbon for PR/Grants

- Happy to be promoting our district; it's been a very busy two weeks.
- App is going well, everyone seems to be coming around to it, with little to no complaints.
- KDE is offering a couple of grants that we will be looking at closely soon to determine if they are opportunities in which the district needs to apply.

Superintendent Josh Hurt: “I am requesting that the board table agenda item 5D, participation in the KETS offer of assistance. This has not been sent to the board yet. We expect to receive it by October. It's the money the state sends us for technology that the board must match.”

“I am also requesting that the board table agenda item 5, the first reading of a new athletics policy. We want to ensure that Sundays and Wednesdays are reserved for family time and that student-athletes are not required to attend sports practices or games on those days. I also want to ensure that our coaches are sharing athletes and that practices/games are seasonal, so that students may participate in multiple events. I want to wait on adopting the policy for now until details can be ironed out.”
