Student Outcomes Focused Governance: Monitoring Report

October 15, 2025

Literacy Intervention Goal Articulation

Board Goal: The percentage of 3rd – 8th grade students who are more than one year behind as measured by Smarter Balanced (SBAC) English Language Arts (ELA) who make more than one year's growth will increase from 30% in June 2024 to 50% by June 2030.

Identified 3rd Grade Students: Those who are two or more grade levels behind in the current year iReady Reading Diagnostic 1 (D1)

One Year's Growth for 3rd Grade Students: Identified students who improved two or more grade levels in iReady Reading from D1 to D3 (i.e., fall to spring).

Identified 4-8th Grade Students: Those who received a Standard Not Met in the previous year SBAC and are two or more grade levels behind in the current year iReady Reading D1.

One Year's Growth for 4th-8th Grade Students: Identified students who improved by at least 45 points in DFS from the prior year SBAC (ELA) to the current year SBAC (ELA).

SBAC Proficiency Levels

Student's overall performance in each subject area is categorized into one of four performance levels, which describes the relative accuracy and complexity of students' performance within their grade level.

Level 1 (Standard Not Met): Students do not consistently demonstrate grade-level knowledge and skills.

Level 2 (Standard Nearly Met): Students demonstrate foundational grade-level knowledge and skills with a limited range of complexity.

Level 3 (Standard Met): Students consistently demonstrate proficient grade-level knowledge and skills within a broad range of complexity.

Level 4 (Standard Exceeded): Students consistently demonstrate advanced grade-level knowledge and skills with deep understanding and a full range of complexity.

SBAC Distance From Standard

What is it?

For a given grade level, the “standard” is the beginning of the Met band. So the DFS, or distance from standard, is the number of scale score points (the distance) away from that Met standard threshold.

LITERACY INTERVENTION

Goal: The percentage of 3rd – 8th grade students who are more than one year behind as measured by Smarter Balanced (SBAC) English Language Arts (ELA) who make more than one year's growth will increase from 30% in June 2024 to 50% by June 2030.

Superintendent's Response: Literacy Intervention Goal

	Root Cause	Rationale	Actions
On Track (46 schools)	Students are engaged in structured intervention aligned to their assessed needs.	Structures are in place to provide intervention aligned to individual student needs.	SOS will facilitate opportunities for principals to share best practices for progress monitoring and differentiated instruction by October 27th.
Off Track (38 schools)	Students have limited opportunities to receive effective and targeted intervention based on their assessed needs.	Sites lack sufficient data, systems and effective intervention models.	- Lead teachers will engage in three content-alike sessions to support Professional Learning Communities to implement cycles of continuous improvement by March 20th. - District departments will provide data, tools and resources to implement effective intervention models during monthly principal meetings. - Expanded Learning Coordinators will create opportunities to maximize and monitor learning beyond the school day by December 19th.

Ewing Elementary School Literacy Intervention

- Instructional Leadership Team collectively agreed to focus on differentiated instruction based on assessed student need.
- Site Academic Coach engaged teachers in cycles of continuous improvement.
- Site-based Teacher on Special Assignment provided small-group instruction to students identified as Newcomer and Long-Term English Learners.
- Site leader conducted three cycles of data chats with teachers focusing on identified Tier II and Tier III students.
- Classroom teachers in intermediate grades developed individualized literacy intervention plans and provided foundational skill building practice.
- Classroom teachers identified and administered local assessments to progress monitoring student skill development in real time.

Fresno USD Board

Draft Implementation Timeline

v.2025.10.15

Overview

The FUSD Board has identified the following objectives it wants to pursue to increase its focus on improving student outcomes.

1. Clarify The District Priorities

- If the School Board is not clear about the “why”, no amount of well debated “how” is likely to make the difference. The lack of clarity about the priorities is driving a lack of trust on the Board. In addition, the School Board is the community’s representative, not the superintendent. It is inappropriate for the Board to hire a superintendent and then ask the new superintendent what the community’s district-level priorities should be.
- We recommend the Board first draft a set of 1-3 SMART goals about what students should know and be able to do. Then draft a set of 1-3 guardrails describing the community’s non-negotiable values that must be honored.
- [This document](#) describes what that process might look like.

2. Align Your Search Parameters

- Once the School Board has reached (preferably) unanimous agreement on the draft goals and guardrails, then it should use those priorities to design the exact details of the search. Instead of hiring a superintendent and asking them what the community’s priorities should be, create a process that actively excludes from consideration anyone who doesn’t match the priorities of the community.
- We recommend using the goals and guardrails to design the search process, including exclusionary criteria. Then proceed with the search.
- [This document](#) describes what that process might look like.

3. Monitor Student Progress

- If the School Board doesn’t focus its time on monitoring progress toward the goals, the goals are unlikely to happen. This does not currently appear to be the priority.
- We recommend a coaching arrangement to assist the Board with improving its governance practices and that will allow the Board to focus more of its time on monitoring progress toward its goals for what children should know and be able to do.
- [This document](#) describes what that process might look like.

Agenda/Meeting Materials

Agenda Content

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student outcomes and well-being.

Each agenda shall state the meeting time and location and shall briefly describe each item to be transacted or discussed, including items to be discussed in closed session. (Government Code 54954.2)

The Board aspires to:

- **The Board schedules no more than three topics for discussion during any Board-authorized public meeting.**

cf. 9320 - Meetings and Notices)

(cf. 9321 - Closed Session Purposes and Agendas)

The agenda shall provide members of the public the opportunity to address the Board on any agenda item before or during the Board's consideration of the item. The agenda does not need to provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item, and the item has not been substantially changed since the committee considered it. (Government Code 54954.3)

The agenda for a regular meeting shall also provide members of the public an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

(cf. 9323 - Meeting Conduct)

The notice and agenda shall describe the means available for the public to access the meeting and provide public comment in-person and, if a Board member is appearing remotely due to an emergency circumstance or for just cause pursuant to Government Code 54953, through an internet-based service or call-in option. (Government Code 54953)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before meeting. The agenda shall also state that the request must be made in writing to the secretary or clerk of the Board.

The Board president and Superintendent shall decide whether a request from a member of the public is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, before placing an item on the agenda, the Board president and Superintendent shall determine if the item is merely a request for information, and if so, respond accordingly.

If the Board president and Superintendent deny a request from a Board member to place an item on the agenda, the Board member may request the Board take action during a Board meeting to determine whether the item shall be placed on the agenda. The Board President and Superintendent shall also decide whether an agenda item is appropriate for discussion in open or closed session, whether the item should be an action item subject to Board vote, or an information, item and when the item is placed on the agenda.

Fresno Unified School District Board Bylaw (BB) 9323

Meeting Conduct

Meeting Procedures

All Governing Board meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance with the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. 9322 - Agenda/Meeting Materials)

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

(cf. 9121 - President)

The Board aspires that:

- **Only Board Work¹ is discussed and /or acted on during Board-authorized public meetings.**
- **There are no more than two Board-authorized public meetings per month and none lasts more than two hours.**
- **The Board schedules no more than three topics for discussion during any Board-authorized public meeting.**

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. Regular Board meetings shall be adjourned **by** ~~at~~ 10:30 p.m. Unless extended to a specific time determined by a majority of the Board. The meeting shall be extended no more than once and may be adjourned to a later date.

(cf. 9320 - Meetings and Notices)

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code 35164)

(cf. 9323.2 - Actions by the Board)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains their abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

(cf. 9270 - Conflict of Interest)

Provided the Board typically has seven members and there are no more than two vacancies on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall not be counted for purposes of determining the total membership constituting the Board.(Education Code 35165)

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons

¹ Board work: Items that are discussed and /or acted on during Board-authorized public meetings because either state or federal law/rule requires the Board to do so or because the items directly pertain to the Board's adopted goals or guardrails. Items that are not legally required and that the Board has not designated as Board work through the Board's goals or guardrails are, by default, Superintendent work.

attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting, except that if the meeting is conducted using remote public participation or with a Board member attending remotely pursuant to Government Code 54953, a member of the public desiring to provide comment through the use of a third party internet website or online platform may be required to register as required by the third party provider.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code 35145.5, Government Code 54954.3)

2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code 35145.5; Government Code 54954.2)

Members of the public who wish to address the board shall submit a speaker card specifying the item they wish to address. The speaker card will require the name of the speaker and request they identify their address, school and if they are a student, parent, district resident or other community member. To the extent practical, the card should be submitted before the Board president announces the specific item.

Unscheduled oral communications shall be limited to a maximum of 30 minutes, but may be extended at the discretion of the Board president.

3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff members may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. (Government Code 54954.2)

Furthermore, the Board or a Board Member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code 54954.2)

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard it; the Board shall provide an opportunity for the public to speak. (Government Code 54954.3)

(cf. 9130 - Board Committees)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits. Individual speakers will be allowed three minutes to address the Board on each agenda item, or nonagenda item. The president may, based on compelling circumstances, limit speakers' time to two (2) minutes (for example, when there is a large number of speakers that wish to be heard). A speaker may receive only one (1) deferral of another speaker's time. The Board shall limit the total time for public input for each agenda item to 20 minutes. With

Board consent, the Board president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. Any such adjustment shall be done equitably so as to allow a diversity of viewpoints. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. (Government Code 54954.3)

(cf. 1312.1 - Complaints Concerning School Personnel)
(cf. 9321 - Closed Session Purposes and Agendas)

6. The Board president may rule on the appropriateness of a topic, subject to the following conditions:
 - a. If a topic would be suitably addressed at a later time, the Board president may indicate the time and place when it should be presented.
 - b. The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code 54954.3)
 - c. The Board shall not prohibit public criticism of district employees. However, whenever a member of the public initiates specific complaints or charges against an individual employee, the Board president shall inform the complainant of the appropriate complaint procedure.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 9321 - Closed Session Purposes and Agendas)

7. The Board president shall not permit actual disruption of Board meetings. Actual disruption by an individual or group or any conduct or statements that threaten the safety of any person(s) at the meeting shall be grounds for the president to terminate the privilege of addressing the Board and remove the individual from the meeting.

8. Placards, signs and other demonstrative items or visual aids (collectively referred to as "Signs") are subject to regulation. Individuals and groups with Signs must occupy the last two rows of seating provided in the meeting. Individual Signs must be held by a single person below the person's face and must not obstruct the view of Board members, language translators, or any other person attending the meeting. Signs must not contain obscene or threatening language or symbols, or otherwise disrupt the orderly conduct of the meeting."

The Board President or designee may remove an individual(s) for actually disrupting the meeting. Prior to removal, the individual shall be warned that their behavior is disrupting the meeting and that failure to cease the disruptive behavior may result in removal. If, after being warned, the individual does not promptly cease the disruptive behavior, the Board president, or designee, may then remove the individual from the meeting. (Government Code 54957.95)

When an individual's behavior constitutes the use of force or a true threat of force, the individual shall be removed from a Board meeting without a warning. (Government Code 54957.95)

Disrupting means engaging in behavior during a Board meeting that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, a failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law, or engaging in behavior that constitutes use of force or a true threat of force. (Government Code 54957.95)

True threat of force means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat. (Government Code 54957.95)

Additionally, the Board may order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individual(s) not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code 54957.9)

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement.

Recording by the Public

Members of the public may record an open Board meeting using an audio or video recorder, still or motion picture camera, cell phone, or other device, provided that the noise, illumination, or obstruction of view does not persistently disrupt the meeting. The Superintendent or designee shall designate locations from which members of the public may make such recordings. On a case by case basis and without causing a distraction, the Board President may permit members of the public to come to the front of the room to make such recordings.

(cf. 9324 - Minutes and Recordings)

If the Board finds the noise, illumination or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code 54953.5, 54953.6)

District Broadcast of Meetings:

Although not required by law to do so, the District generally broadcasts (audio and video) each regular meeting of the Board of Education in order to provide students, parents, employees and the broader community the opportunity to observe Board meetings in real time. The Board reserves the right to temporarily suspend broadcasts (video portion) when the president determines that obscene images, graphics, or signage could appear in the broadcast.

16 3. Date, Place & Circumstances of Occurrence

17 From 2021 to 2025, Claimant was a student-athlete and member of the Fresno High School
18 girls' softball team. Fresno Unified School District and Fresno High School permitted Dusty William
19 Lewis, a convicted felon and registered sex offender listed on Megan's Law, to act as a volunteer coach
20 without conducting mandatory fingerprint clearance or background checks.

21 Lewis was given repeated and unsupervised access to female student-athletes at practices, games,
22 and team activities. During practices, he initiated inappropriate physical contact with Claimant, including
23 grabbing and moving her body under the guise of instruction. This conduct was unwanted, frightening,
24 and occurred in an environment where Claimant was expected to feel safe.

25 Complaints were made by Claimant and others to Fresno High School coaches and
26 administrators regarding Lewis's behavior. These officials—including the Principal, Vice Principal,
27 Athletic Director, and coaching staff—ignored and dismissed the complaints, failed to investigate, and
28 continued to allow Lewis unrestricted access to the softball team.

Administrators had actual and constructive notice of Lewis's criminal record, which included violent felony convictions and sexual offenses, and which was publicly available on Megan's Law. Despite this, Fresno High School:

- Permitted Lewis to coach, supervise, and physically interact with Claimant and her teammates.
- Allowed Lewis to organize and profit from team fundraising events with direct contact with female athletes.
- Failed to implement any safeguards or supervision despite repeated warnings from parents.

As a direct result of Defendants' negligence, Claimant was subjected to sexual harassment, inappropriate physical contact, and a hostile athletic environment, causing severe and lasting emotional harm.

4. Basis of Liability:

Fresno Unified School District and Fresno High School are liable under California law for:

- Negligent hiring, retention, and supervision of Dusty William Lewis, a known registered sex offender.
- Failure to comply with Education Code §§ 35021, 44830.1, and 45125.1, which mandate background checks and fingerprint clearance for volunteers.
- Failure to protect a minor student from foreseeable harm despite actual notice of risk.
- Deliberate indifference and reckless disregard of student safety by administrators who ignored multiple complaints.

5. Injuries and Damages:

As a proximate result of Defendants' conduct, Claimant has sustained:

- Severe emotional distress, anxiety, humiliation, and trauma.
- Ongoing psychological injuries requiring counseling and treatment.
- Educational disruption and interference with her athletic career.
- Loss of trust in school officials and diminished enjoyment of life.
- Economic and non-economic damages, including costs of medical/psychological care.

Claimant seeks:

- 1. General damages for pain, suffering, and emotional distress;
- 2. Special damages, including medical and counseling expenses;
- 3. Economic losses proven at trial;
- 4. Prejudgment interest;
- 5. Costs of suit;
