

Supporting Kalamazoo Public Schools and Beyond

Kalamazoo RESA is an intermediate school district providing specialized services to schools and communities and optimizing resources by centralizing innovative programs and services. We partner with school districts and the broader community to offer essential programs including early childhood education, special education, career learning, and educator development, ensuring that learners of all ages receive the support they need. We provide equitable and innovative solutions to empower educators, students, and families to improve learning in the Greater Kalamazoo region.
